Radford pushes the boundaries of traditional felting as she did with traditional knitting in her earlier book *AlterKnits*. Through 30 colorful vibrant projects she shows readers how to knit and then felt their own handiwork as well as how to create gorgeous felted objects from recycled knits and unspun fiber. An introductory chapter on felting basics explains everything you need to know to make the fabulous clothes accessories and home decor that follow. The projects range from a quick and easy circle coin purse to a shibori bag to a reverse applique rug each unusual in its own way distinguished by a special surface texture an innovative mix of techniques or a quirky combination of yarns. *AlterKnits Felt* provides every crafter with the tools to explore and expand the art of felting.
