Chroniques d'un médecin colonial André Audouy, 2011-05-01 Quand j'étais jeune médecin de brousse je me suis occupé de toutes sortes de maladies. Plus tard en milieu hospitalier que ce soit dans mon petit hôpital de Ferkess dougou de Lambaréné ou comme chef de service à Papeete ou Brazzaville aidé par des personnels paramédicaux nationaux ou territoriaux fidèles j'ai servi de mon mieux les populations auprès desquelles j'étais envoyé. *Historical Dictionary of Gabon* Douglas A.

Yates, 2017-12-28 This new fourth edition of the Historical Dictionary of Gabon brings up to date the political affairs of the country since the accession to power of Ali Bongo eldest son of Omar Bongo the former president for life who died in 2009 after the publication of the third edition. Themes of continuity and change are present throughout the entries not only as the Bongo family continues its half century of dynastic rule there are a dozen Bongos in this new edition but as the rare primeval tropical rainforests continue to dominate the landscape yet are menaced by destructive logging and palm oil plantations and as this former French colony after independence continues to collaborate with the French African sphere of influence yet seeks new partners from America and Asia China Singapore and as the country's numerous ethnic groups perpetuate a multicultural mosaic that is nevertheless threatened by globalization of communications and cultural convergence. This fourth edition of Historical Dictionary of Gabon contains a chronology an introduction appendixes and an extensive bibliography. The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture. This book is an excellent resource for students researchers and anyone wanting to know more about Gabon.

**Annales d'hygiène et de médecine coloniales**, 1912 The Doctor Who Would Be King Guillaume Lachenal, 2022-02-14 In *The Doctor Who Would Be King* Guillaume Lachenal tells the extraordinary story of Dr Jean Joseph David a French colonial army doctor who governed an entire region of French Cameroon during World War II. Dr David whom locals called emperor dreamed of establishing a medical utopia. Through unchecked power he imagined realizing the colonialist fantasy of emancipating colonized subjects from misery ignorance and sickness. Drawing on archives oral histories and ethnographic fieldwork Lachenal traces Dr David's earlier attempts at a similar project on a Polynesian island and the ongoing legacies of his failed experiment in Cameroon. Lachenal does not merely recount a Conradian tale of imperial hubris he brings the past into the present exploring the memories and remains of Dr David's rule to reveal a global history of violence desire and failure in which hope for the future gets lost in the tragic comedy of power. Gazette hebdomadaire des sciences médicales de Bordeaux, 1904 **La santé des Limousins et des Périgourdiens au XIXe siècle** Pierre

Pageot, 2011-06-01 Jusqu'à l'aube du XXe siècle les Limousins et les Périgourdiens firent davantage appel à l'automédication aux guérisseurs et à la religion qu'à la médecine. La médicalisation progressa ensuite grâce à l'assistance médicale gratuite et à l'efficacité plus grande de la médecine post-pastorienne. Le sachet d'herbes magiques cotoya toutefois longtemps encore le remède prescrit par un médecin et délivré par le pharmacien. **Gabriel Andral, pionnier de l'hématologie** Roger
