Church Giving Letters:

Financial Letters to Help Churches Elizabeth Whitney Crisci, 1997-12 **The Corinthian Letters of Paul G.** Campbell Morgan, 2010-04-01 Known as the Prince of Expositors G Campbell Morgan is at his best in this exposition of Paul's letters to the Corinthians. He makes these letters as timely and as applicable today as they were when written centuries ago. His lucid style and detailed interpretation illuminate the whole text so that the Epistles become as fascinating to the lay reader as to the minister and Bible student. In this volume Dr Morgan's sturdy faith stands out like a beacon and his instinctive insight and close scrutiny bring out all the force of Christianity's greatest apostle. Here is a mine for preachers seeking new inspiration for their sermons and a handbook for Christian workers and laymen who wish to become better acquainted with the teachings of the Apostle Paul. G Campbell Morgan is the author of more than seventy volumes each of which shows its readers why this scholar and preacher could move more people with sheer exposition than any of his contemporaries.
