### The Instructions

These are summary sentences that have been all mixed up.  
Organize these sentences in chronological order - as they happened in the chapter.

Cut and glue them into the boxes on the left.

When the city of Ember was built, the great leader and his assistants sat down to talk about the future.

Every mayor of Ember guarded the box and passed it down until the 3<sup>rd</sup> mayor who was sick and very desperate.

The 3<sup>rd</sup> mayor tried to open the box, but he died trying. The box ended up at the level of a desert, without anyone knowing about it.

People lived in the city for at least 210 years. After the time passed, a special box will open again. Decisions on what to do next will be in that box.
