Indiana Travel Guide, 2014 **Gender, Tourism Entrepreneurship and Social Policy** Anna de Jong, Michael Zisuh Ngoasong, Albert Nsom Kimbu, 2024-11-07 This timely volume is a novel and important contribution to scholarly literature on gender and tourism entrepreneurship, utilising feminist and post-colonial frameworks to interrogate the role of social policies in facilitating inclusive tourism entrepreneurship. Drawing on contributions and case studies from across the Global South and Global North, this multi-disciplinary collection identifies how regional variations in governance and policy influence the experiences and potentialities of tourism entrepreneurship as a promised avenue for inclusive growth for marginalised identities. Problematizing universalised constructions of entrepreneurs as necessarily masculine, western and driven only by economic imperatives that seek to fix and dislocate entrepreneurial support, this volume takes focus with place-based approaches to explore the intersections between identity, tourism entrepreneurship and social policy. It is this geographically informed perspective that seeks to account for the complexity of entrepreneurial experience and the role of social policy within this that constitutes an original contribution to the field. The focus on gender and social policy reflects the increasing importance of tourism entrepreneurship within the context of the UNWTO's Sustainable Development Goals. This book will be a pivotal resource for students, researchers, academics and policy makers in tourism, gender studies, development studies, sustainability and business. **SRDS Consumer Magazine Advertising Source**, 1998-04 **Glamour**, 2002 Vanity Fair, 1966 **Safety and Health at Work**, 1993 The Times Index, 2013-07 Indexes the Times Sunday Times and magazine Times literary supplement Times educational supplement Time educational supplement Scotland and the Times higher education supplement **Chicago Tribune Index**, 1987 *Braby's Durban Corporation Directory*, 19?? **Arts & Humanities Citation Index**, 1979 *The New Jewelry* Peter Dormer, Ralph Turner, 1987 Parisian Chic City Guide Ines de la Fressange, Sophie Gachet, 2016-02-02 This pocket-sized book with maps, expandable pocket ribbon page marker and elastic closure includes Ines de la Fressange's favorite addresses for fashion and home goods with Parisian flair.
