## City Of Orphans Discussion Guide:

*Beyond the Textbook* Carianne Bernadowski, Patricia L. Kolencik, Robert Del Greco, 2013-01-03 This collection of standards based lessons will guide middle and high school teachers while teaching the nation's history in a user friendly ready made fashion During a time of standards based instruction *Beyond the Textbook Using Trade Books and Databases to Teach Our Nation's History Grades 7-12* will fill the gap in today's middle and high school classrooms to simultaneously engage students in effective literacy skill exercises and teach our nation's history Authored by three experienced former public school teachers these ready made lesson plans for classroom teachers and school librarians make planning easy for implementation in a social studies history or English classroom The book covers topics from Native Americans to the Louisiana Purchase offering evidence based reading strategies throughout that can hold adolescents attention and develop their vocabulary and comprehension Each chapter will include bibliographic information suggested grade level Information Literacy and National Social Studies Standards before during and after reading strategies database integration for classroom use and suggested readalikes Users will find the standards and evidenced based research perfectly applicable in today's classrooms

*God's Heart for Children* Rosalind Tan, Nativity A. Petallar, Lucy Kajidori, 2022-05-31 In the New Testament Jesus is explicit in communicating God's heart for children Yet what does it look like for that heart to encounter the contextual realities of life in the twenty first century This book explores the theological implications and practical realities of ministry with children in a globalized world Affirming eight core beliefs regarding the place of children in creation that they are created with dignity and intended to be placed in families cared for in community advocated by society secured in hope affirmed in God's church included in God's mission and engaged in creation care this book traces the impact of such far reaching issues as displacement climate change human trafficking persecution and gender discrimination on childhood development Written by over twenty contributors from around the world each section roots its premise in contextual theology examines the implications for praxis provides a case study and includes questions for discussion and reflection Through each chapter the conversation around childhood development is broadened prioritizing the experiences of children and practitioners to truly reflect the realities of our changing world This is an excellent resource for all those concerned with the current risks facing children especially among the world's most vulnerable populations and what best practice looks like as the people of God work to bring God's heart and hope to children in their communities and beyond
