Syllabus in Civics, Ninth Grade Or First Year High School ... University of the State of New York, 1923 **School, Society, and State** Tracy L. Steffes, 2017-10-05 Democracy has to be born anew every generation and education is its midwife wrote John Dewey in his classic work *The School and Society* In *School Society and State* Tracy Steffes places that idea at the center of her exploration of the connections between public school reform in the early twentieth century and American political development from 1890 to 1940 American public schooling Steffes shows was not merely another reform project of the Progressive Era but a central one She addresses why Americans invested in public education and explains how an array of reformers subtly transformed schooling into a tool of social governance to address the consequences of industrialization and urbanization By extending the reach of schools broadening their mandate and expanding their authority over the well being of children the state assumed a defining role in the education and in the lives of American families In *School Society and State* Steffes returns the state to the study of the history of education and brings the schools back into our discussion of state power during a pivotal moment in American political development *Democratizing Education and Educating Democratic Citizens* Leslie J. Limage, 2013-10-08 The essays in the book are organized into three sections in order to address the conceptualization of democracy and citizenship reform efforts towards democratization in various societies and educational efforts to foster democratic citizens Each is written from a different historical and national perspective by an international panel of prominent comparative education scholars and each tackles the theme of democracy and civic duty in education **Curriculum and Teaching**, 2005 *Some Industrial Art Schools of Europe and Their Lessons for the United States* Alice Barrows, Charles Myron Reinoehl, Enoch George Payne, Fletcher Harper Swift, Harry Hascall Moore, Henry Ridgely Evans, Homer Horatio Seerley, James Chidester Egbert, Jesse Brundage Sears, Julia Wade Abbot, Marius Vachon, Teresa Bach, United States.
