Civil Service Police Officer Test For 2015:

Evaluations of Police Suitability and Fitness for Duty David M. Corey, Mark Zelig, 2020-03-16 This book provides practical guidance for conducting the two most common psychological evaluations performed by police psychologists: evaluations of the psychological suitability of police candidates and the psychological fitness of incumbent police officers **New Jersey Register**, 2015

An Introduction to American Policing Dennis J. Stevens, 2017-05-08 An Introduction to American Policing Second Edition connects the US criminal justice system, criminology and law enforcement knowledge to the progress of the police community. It is the perfect resource for a Police Science course

Police in America Steven G. Brandl, 2017-01-25 Police in America provides students with a comprehensive and realistic introduction to modern policing in our society. Utilizing real word examples grounded in evidence based research, this easy to read conversational text helps students think critically about the many misconceptions of police work and understand best practices in everyday policing. Respected scholar and author Steven G Brandl draws from his experience in law enforcement to emphasize the positive aspects of policing without sugar coating the controversies of police work. Brandl tackles important topics that center on one question: What is good policing? This includes discussions of discretion, police use of force and tough ethical and moral dilemmas, giving students a deeper look into the complex issues of policing to help them think more broadly about its impact on society. Students will walk away from this text with a well developed understanding of the complex role of police in our society, an appreciation of the challenges of policing and an ability to differentiate fact from fiction relating to law enforcement.
