Michael J. Schmoker,2011 The introduction states T he only reason our schools haven t made astonishing progress in the last 30 years of reform is quite simple very few schools ever implemented what is essential the most powerful simple actions and structures that woulddramatically increase the proportion of students prepared for college or careers What is essential for schools Three simple things reasonably coherent curriculum what we teach sound lessons how we teach and far more purposeful reading and writing in every discipline or authentic literacy integral to both what and how we teach Focus, 2nd Edition Mike Schmoker,2018-07-16 In this 2nd edition of Focus Elevating the Essentials to Radically Improve Student Learning Mike Schmoker extends and updates the case that our schools could be on the cusp of swift unparalleled improvements But we are stymied by a systemwide failure to simplify and prioritize we have yet to focus our limited time and energy on the most essential widely acknowledged evidence based practices that could have more impact than all other initiatives combined They are simple coherent curricula straightforward traditional literacy practices and lessons built around just a few hugely effective elements of good teaching As Schmoker demonstrates the case for these practices and the need for them has grown prodigiously In every chapter you ll find late breaking discoveries and practical advice on how to simplify the implementation of new state standards in the subject areas on the hidden pitfalls of our most popular but unproven instructional fads and programs and on simple versatile strategies for building curriculum planning lessons and integrating literacy into every discipline All of these strategies and findings are supported with exciting new evidence from actual schools Their success confirms as Michael Fullan writes that a focus on the best high leverage practices won t only improve student performance they will produce stunningly powerful consequences in our schools *Wisconsin Journal of Education* ,1899 *The Software Encyclopedia* ,1988 **National Safety News** ,1925 **American Ecclesiastical**
