Controversial Issues In Aging Paperback:

Teaching Controversial Political Issues in the Age of Social Media Rakefet Erlich Ron,Shahar Gindi,2023-06-09

Using Israel as a case study this book examines teachers approaches to Controversial Political Issues CPI in the classroom The book focuses on the democratic responsibilities that teachers face in an era where social media use is ubiquitous and polarization and fake news are increasingly common Presenting original research on the topic and developing a pedagogical framework for dealing with controversial issues in a sensitive and effective manner this accessible volume highlights social emotional learning approaches and considers a broad definition of CPI to include issues of racism religion political differences multiculturalism and Jewish Arab relations Using the results of an in depth research project foregrounding personal experience the book explores situational accounts of teachers from a diverse range of subject disciplines and different minority majority group settings to present comparative evidence from European contexts Offering concrete suggestions for ways of dealing with controversial political issues and volatile remarks that are grounded in research this timely book will be highly relevant for researchers students and educators in the fields of social studies democratic and peace education citizenship education race and education and educational politics Controversial Issues in Gerontology

Harold J. Wershow,1981 *Aging* Harry R. Moody,Jennifer R. Sasser,2017-01-12 Presenting current research in an innovative text reader format *Aging Concepts and Controversies* Ninth Edition encourages students to become involved and take an informed stand on the major aging issues we face as a society Not simply a summary of research literature Harry R Moody and Jennifer R Sasser s text focuses on controversies and questions rather than on assimilating facts or arriving at a single correct view about aging and older people Drawing on their extensive expertise the authors first provide an overview of aging in three domains aging over the life course health care and the socioeconomic aspects of aging Each section is followed by a series of edited readings offering different perspectives from experts and specialists on that subject New readings focus on whether current federal spending on the elderly is sustainable and fair to other groups how older consumers are reshaping the business landscape and the challenges of marketing and selling to customers 60 and over More emphasis is placed on how social class and inequality earlier in life can shape our final years and the number of older Americans living in poverty The section on Aging and Health Care has been thoroughly updated to reflect the latest data about chronic diseases that affect the elderly government spending on health care and policy changes to programs like Medicaid and Medicare The section on the Social and Economic Outlook for an Aging Society gives the most current picture of the racial and ethnic diversity of older Americans their participation in the labor force and their income and wealth

Redefining Journalism in an Age of Technological Advancements, Changing Demographics, and Social Issues Johnson, Phylis,Punnett, Ian,2022-03-18 As audiences are provided opportunities to experience the news through new technological advancements in the field the very nature of journalism and its conventions will likely be challenged This book offers multiple

perspectives on the future of journalism by analyzing trends in technology and demographic shifts in audience composition through the next century The book draws upon recent research and speculations by top technological firms as well as leading science fiction writers to provide a compelling portrait of how journalism may operate in next 20 to 40 years and beyond The editors offer a groundbreaking view into the future of news consumption and how it will impact newsgathering and reception across the world The very nature of journalism will likely be received and interpreted within unique communities through innovative and inclusive ways This book explores the challenges ahead for journalists and media producers in the near and distant futures Moreover as in world journalists have sought to inform and engage unique communities within the context of their worlds real and virtual issues relevant to the mainstream have been played out in virtual culture This book offers a first glance into a mediated future from a journalistic lens **Redefining Journalism in an Age of Technological Advancements** Changing Demographics and Social Issues investigates the impact of emerging technologies in journalism and how audiences engage with these technologies and news content in innovative ways Identity and community are analyzed historically and culturally within the larger body of cultural and media studies Covering topics such as audience demographics robotics and immersive journalism this book is a dynamic resource for journalists sociologists politicians students and educators of higher education computer scientists communications professionals researchers and academicians **The Social Studies**

Professional ,2007 **Controversial Issues in Aging** Andrew E. Scharlach, Lenard W. Kaye, 1997 Part of the Controversial Issues series this text presents a series of clear and lively debates on current issues in gerontology authored by leading academic authorities in the field The text presents a broad overview of issues and questions facing the field including areas of policy programs health social services professional and family life and more The debates are current and very readable the text is user friendly and was designed to stimulate student discussion debate as well as critical thinking The text is a must for students considering careers in the field of gerontology The non technical brief and lively format of the debates makes them accessible to all students Issues covered include whether or not to legalize suicide whether to reduce Social Security benefits whether to institute means testing for Medicare whether affirmative action programs should be instituted for older persons and the potential dismantling of the aging services network **ENC Focus** ,1999 **Health Care Financing Review**
