AND GOD SAID Neale Donald Walsch didn't claim to be special or spiritually gifted He was just a frustrated man who sat down one day with pen in his hand and some tough questions in his heart As he wrote his questions to God he realized that God was answering them directly through Walsch's pen And the result was a series of witty provocative and profound books that have changed the lives of readers around the world Here in one handsome volume with new introductions and afterwords are the second two books in the Conversations with God series In Conversations with God 2 Neale Donald Walsch and God continue their discussion and move on to larger topics than the personal issues addressed in Conversation with God 1 The pair discusses time space and politics It is an honest look at some of the broad issues important to all of us on the planet Conversations with God 3 the final book of the original three book series contains universal truths of the highest order and the challenges and opportunities of the soul In this volume the dialogue expands to include more about the nature of God about love and fear about who we are and who we may become Here is also a profound dialogue about the culture philosophy and spirituality of highly evolved beings in other realms of the universe and how they have learned to view life love and the pursuit of happiness

Awaken the Species Neale Donald Walsch,2017 The whole universe the entire cosmos in each of its dimensions is filled with sentient beings each imbued with the exact same desire the desire to express and experience their true nature and their true Identity This involves a process of first moving through and knowing every aspect of being physical then moving through and knowing every aspect of being metaphysical Then integrating both And here is the great secret that Highly evolved Beings are focusing their energies on sharing Full integration can occur at any moment The

process can be condensed An entire civilization can begin living as an awakened species whenever it wishes The Review of Reviews William Thomas Stead,1902 *Conversations with God* Neale Donald Walsch,2011-11-28 In this volume the dialogue expands to include more about the nature of God about love and fear about who we are and who we may become and about the evolution of the human species that is about to take its place in the universal neighborhood Here is a profound dialogue about the culture philosophy and spirituality of highly evolved beings some of whom we presently call aliens or ETs in other realms of the universe and how they have learned to view life love and the pursuit of happiness By reading this book you will begin to see life in a different way and begin to question the truth of what you have known on this planet And so I end this dialogue as it began As with life itself it comes full circle You have been given truth here You have been given joy You have been given love You have been given here the answers to the largest mysteries of life There is now only one question remaining It is the question with which and begin to question the truth of what you have known on this planet This a revised and expanded edition of *Conversations with God* Book 3 The author has added a new introduction and divided the text into three sections each section preceded by new commentary What God Said Neale Donald Walsch,2013-10-01 God s number one message to the world You ve got me all wrong Inspired by his nine book *Conversations with God* series many people have asked Neale Donald Walsch to find a way to deliver the most essential pieces of God s message to us in a more succinct way This concise text details and expands just what we need to know about life and how to live it Bringing his many conversations over the years into sharper focus than ever before Walsch in *What God Said* encourages readers to cast aside religious and cultural trappings To experience life as fallible and human beings open minded open hearted and all embracing and to build on broaden and enrich our Ancient Story But to move forward on this ever expanding and encompassing spiritual voyage means not only understanding what Walsch considers the most important insights of his *Conversations with God* but also applying them in the most practical ways And so Walsch has included solid suggestions on how to apply each of the 25 Core Messages in daily life Should humanity begin carrying these messages forward starting today we can change the world *Conversations with God, Books 2 & 3* Neale Donald Walsch,2014-09-01 Neale Donald Walsch didn t claim to be special or spiritually gifted He was just a frustrated man who sat down one day with pen in his hand and some tough questions in his heart As he wrote his questions to God he realized that God was answering them directly through Walsch s pen And the result was a series of witty provocative and profound books that have changed the lives of readers around the world Here in one handsome volume are the second two books in the *Conversations with God* series In *Conversations with God 2* Neale Donald Walsch and God continue their discussion and move on to larger topics than the personal issues addressed in *Conversations with God 1* The pair discusses time space politics and even kinky sex It is an honest look at some of the broad issues important to all of us on the planet In *Conversations with God 3* final book of the original three book series universal truths of the highest order and the challenges and opportunities of the soul In this volume the dialogue
