Alison's Slow Cooker Pork Recipes - Time Saving, Easy to Make, Mouth Watering Meals with Slow Cooker

Alison Kowalski,2015-06-08 In today's modern age it's hard to find the kind of cooking that I grew up with. When I was a child cooking was a family activity that was always spearheaded by my grandmother, the matriarch of my family. These days I noticed how many different children are now growing up without home-cooked meals or the dinners cooked with love by their parents. It's a shame and it's something that needs to be corrected. In this cookbook instead of jamming it with hundreds of recipes that you would probably never use, I have hand-picked 50 of my family's most favorite slow cooker pork recipes. They are the best of the best. Not only they are delicious but also very easy to prepare, perfect for anyone who is leading a busy lifestyle and simply doesn't have the time to cook. Just imagine a great meal your whole family would enjoy that only takes 10-15 minutes to prepare, then just let the slow cooker or Crockpot do its magic while you are at work. The dinner would be ready when everyone walks in the door. I have organized these recipes into 6 categories: Pork Chops, Roast, Stew, Ribs, Pulled Pork, Miscellaneous, to make your selection easy. The Table of Contents allow you to go to any individual recipe with a single click. So go ahead, try them out and mix them up. May they serve you and your family as well as they have served mine.

The Healthy Slow Cooker Cookbook Martha Stephenson,2016-06-22 Using what we call a slow cooker or a crockpot to cook seems to be something that sort of lost prominence over the years but now that people are becoming more aware of the importance of healthy cooking, so the slow cooker method has regained popularity. How can slow cooking really benefit you? We will give you plenty of reasons in this book. We will also present you with a variety of flavorful and easy recipes that you can cook using this very handy device. That's right, 25 recipes are included in this Healthy Slow Cooker Cookbook. Don't worry, we will place emphasis on finding some new and refreshing recipes so that you can continue cooking the ones your grandmother taught you but also impress your family with some new ones. One of my all-time favorites is probably the Pulled Pork Slow Cooker type of recipe. It's pretty hard to perfectly cook pulled pork any other way and don't we all love those yummy BBQ pulled pork sandwiches anytime of the week. Cooking Light Slow Cooker will be our mission in this book and I promise we will not disappoint you. Stay tuned, we are also going to share a few tricks to make your life in the kitchen much easier. So if you have not equipped yourself with a crockpot or a slow cooker yet, do not wait any longer. Do not get confused between a pressure cooker and a slow cooker as they work differently. A pressure cooker uses steam heat and pressure to cook your food. When you cook with a crockpot, you can easily walk away from the device for hours while it's cooking with the lid on, of course. When it's time to choose a slow cooker model, the size will be one of the criteria at which to look and also the type of settings the different brands and models offer. I highly suggest purchasing a model that has an integrated time and a warming option. You can pay anywhere between 25 USD and 200 USD for a slow cooker. So let's learn more about this time-saving and healthy cooking device and start cooking.
