What's Cindy Cooking? CINDY. JORDAN, 2025-05-20 For over 60 decades Cindy Jordan has been creating magic in her kitchen transforming simple ingredients into memorable meals that bring people together around her table. What's Cindy Cooking captures the heart and soul of home cooking where every recipe tells a story and every dish is made with love. The vivid details of her childhood. Her memories of New England boiled dinners under the grapevine trellis and her granddaddy's outdoor barbecues bring the scenes to life. I could almost taste the seafood and smell the biscuits in the pie pan with bacon grease. The cross-cultural connection. The blend of Portuguese and Texan culinary traditions creates a fascinating and unique perspective. It's wonderful how she honors both her parents' heritage and their influence on her passion for cooking. The warmth of family gatherings. Her kitchen is the heart of Cindy's home and the joy she takes in sharing meals with her loved ones truly radiates throughout her story. That image of her as a food detective tracking down recipes adds a delightful touch. Cindy's cooking reminds us what sharing food is all about: bringing joy, creating memories, and feeding both body and soul. For over 65 years Cindy has been feeding five generations of her family. Her passion for cooking has never wavered. She believes good food brings people together and hopes these recipes will create as many happy memories in your home as they have in hers.

Welcome to **Eating Healthy Living Longer with Healthy Choices**, a cookbook created to inspire you to embrace nutritious habits that support energy, prevent disease, and promote a longer, more vibrant life. Inside, you will discover wholesome recipes, science-backed health insights, and practical strategies to help you make better choices every day. Remember, this isn't about striving for perfection; it's about making consistent, positive change that builds up over time. Eating clean is a powerful way to transform your eating habits. It means filling your plate with more of the best food from each of the food groups like colorful vegetables, fruits, whole grains, lean proteins, and healthy fats, while cutting back on refined grains, added sugars, excessive salts, and unhealthy fats. This doesn't mean you can never enjoy treats or indulgent foods; it means you're intentionally choosing what nourishes your body and finding satisfaction in that choice. Mindset is everything. Choose health because you deserve it, because you're worth it. You're deciding to eat to live, not live to eat. You want to eat healthy, live longer, and do it with choices that truly support your well-being. This cookbook began as a personal journal of my own meals and progress over the last 10 years towards better health. Coming from Louisiana, where rich, indulgent food is part of our culture, this journey was not easy, but it's been worth every step. I wanted to create a cookbook that offers something for everyone, whether you're vegetarian, pescatarian, or simply looking for lean, beginner-friendly recipes to start your own path toward a healthier you.
