some things and painfully needy. Largely their neediness stems from their abusive sexual pasts. While both characters come from prior dysfunction, they meet their codependent states mostly with boxers down and skirts up. In this novel, sex is the glue that holds all chapters together. There is Monday night sex, early morning sex, wet shower sex, dry sex, make-up sex, midday sex, weekend sex, after-work sex, and sex after sex. And yes, this sex starts to wear thin as likely so do the sheets about chapter 10 or 11. However, somewhere between psychosis and gratification, the two seem to truly love one another as even the primal nature of the page garners Gideon's Angel mine and reflective poetry. The softness of Gideon's poetic times provide balance for the violent foreshadowing which may be occurring in Day's narrative. Download your copy today.
