The Professional Counselor's Desk Reference, Second Edition Mark A. Stebnicki, Irmo Marini, 2015-08-21

This award-winning bestselling reference for professional counselors and graduate students is extensively updated and expanded to encompass critical developments that are immediately relevant to the counseling professions, including the 2014 American Counseling Association Code of Ethics, CACREP CORE accreditation standards, DSM 5, the Affordable Care Act, and many other important changes. It reflects the ongoing consolidation of a strong identity for professional counselors and the need to address mental health and other counseling concerns amidst marked socio-cultural changes. The only resource of its kind, it is an extremely useful guide for counseling students working toward licensure and certification, as well as experienced counselors, counselor educators, clinical supervisors, psychologists, and social workers. The second edition offers a unique interdisciplinary approach inclusive across all counseling disciplines and features contributions from over 110 highly regarded experts in counselor education, research, and practice. It is based on the core content and knowledge areas outlined by CACREP and CORE accreditation standards and disseminates in 93 chapters both contemporary insight and practical strategies for working with the complexity of real-life issues related to assessment, diagnosis, and treatment of diverse clients. New chapters address military and veteran health issues, evidence-based practice for training counseling transgender individuals, partners and families, counseling caregivers, social justice, and so much more. In addition to being a quick access resource for all counseling professionals, the second edition serves as a concise, accessible reference for graduate students preparing for certification and licensure exams. It features an expanded comprehensive self-exam of over 340 multiple-choice items based on the CORE CACREP core content and knowledge areas for counselor education and training.
