Searching for myself during my life has been a series of great adventures which are forever imprinted on the walls of the canyons of my memory I did have some very bad experiences that brought me to the very threshold of death several times For some cosmic reason I escaped death on four occasions during my life and I recuperated my strength and my craving for adventure after each near death experience I guess that those four near death experiences were meant to remind me that I am human and vulnerable and that I should never take my life for granted Even though I did lose some physical strength on each occasion my body and mind grew stronger and stronger and now that I am in the winter of my life I m alive and I thank each day that is given to me as my mind gets closer and closer to finding that elusive me in this only life as me As I now understand the importance and sanctity of life and my love for wonderful people beautiful animals and plants I realize that the meaning of my very existence is to protect them while we live in this beautiful and wonderful planet Finally it took a lifetime for me to find God and I have accepted that after life on earth I will be once again part of the Cosmos which it will always belong to the Creator The Man Who Saved the United States Robert Lee Scarborough, 2008-03 Dr Michael Jeremiah and his family are professing Christians fulfilling their life dreams As good Bible students they know that Some 2000 years ago Jesus Christ was crucified

five years the author took a second look at the series of devotionals and decided they needed to be made into a book At a Moment's Notice contains fifty chapters based upon the truth of the title Gleaning from the word of God the Bible the preacher in the author recognized that more often than not the main characters underlined in the Scriptures reacted immediately to certain situations and circumstances they were confronted with Take a trip through Holy Writ as we encounter the judge Shamgar as he comes face to face with a marauding band of Philistines in his field as Lydia the purple saleswoman meets Paul by a river in Philippi as Hur helps Moses at a moment's notice with the Rod of God that eventually wins an important battle as Simeon comes into Herod's Temple just at the right moment to meet the Christ child and as Naboth has to make the most difficult decision of his life that will also cost him his life Though the actions and reactions of each famous or infamous hero or heroine highlighted in the book have the same quality the lessons being taught are as varied as the stories being told Take a few moments to read the account and ponder what is being taught and then hopefully an application can be made in the reader's heart at a moment's notice
