Careers in Psychology Tara L. Kuther, Robert D. Morgan, 2019-07-24 Connecting career aspirations with the post college world is crucial for students today. Learners must keep sight of future career opportunities while exploring a broad expanse of degrees, paths, and career options. *Careers in Psychology* Fifth Edition helps students navigate and plan for their futures by offering exposure to the rich careers in each subfield of psychology and prompting students to consider the what, why, and how of each option. In doing so, the text supports students as they determine whether a major and career in psychology is for them. Offering salary and career information, advice on getting a job after graduation, and information on applying to graduate school in psychology, Tara L. Kuther and Robert D. Morgan support students in making an educated decision about their futures and career options.

Careers in Child and Adolescent Development Kimberly A. Gordon Biddle, Aletha M. Harven, Cynthia Hudley, 2018-07-11 Child and Adolescent Development is a rich and continuously evolving field that offers a wealth of career opportunities. *Careers in Child and Adolescent Development* is the first textbook to guide students along each step of the career path from the levels of academic degrees and programs available to preparations for the professional world. It presents a brief description of the field, explores a broad array of career paths available to students, and offers some practical ideas for constructing a career plan. Students are provided with practical, up-to-date information about career opportunities combined with real-life vignettes to illustrate the challenges and rewards these careers hold. The book presents traditional career paths in fields such as child and adolescent development, elementary education, educational leadership, and school counseling, as well as non-traditional or emerging career paths in child life and behavior analysis, research, academia, non-profit work, children's ministry, and family law. It will serve as a go-to reference for students and can be used in a fieldwork class, a service learning class, a professional development class, or a capstone class.
