**Managing Diversity in Health Care** Lee Gardenswartz, Anita Rowe, 1998-05-29 Cultural Diversity as a Strategic Advantage This insightful and practical work should be required reading for managers physicians nurses allied health caregivers and support staff in order to overcome barriers to communication and change in dealing with an increasingly complex patient and employee base. Highly endorse this excellent book written by these outstanding authors. Donald R. Oxley, vice president and executive director, Kaiser Permanente. As reflected in new cultural competency requirements for healthcare organizations, sensitivity to and understanding of cultural diversity have become mandatory for health care professionals. However, most health care professionals have little or no training on how to deal with the challenges of cultural diversity. With *Managing Diversity in Health Care*, you will learn effective strategies fundamental to creating a culturally diverse health care organization. This essential handbook provides you with the necessary knowledge and tools to become more responsive to culturally diverse patient and staff populations. The authors show how to build diverse teams, deal with the thorny issues of prejudice and bias, and communicate effectively within a diverse health care setting.

*ACCCN's Critical Care Nursing - E-Book* Leanne Aitken, Andrea Marshall, Wendy Chaboyer, 2015-10-01 With each edition, ACCCN's Critical Care Nursing has built on its highly respected reputation. Its contributors aim to encourage and challenge practising critical care nurses and students to develop world-class critical care nursing skills in order to ensure delivery of the highest quality care. Endorsed by the Australian College of Critical Care Nurses, ACCCN this 3rd edition presents the expertise of foremost critical care leaders and features the most recent evidence-based research and up-to-date advances in clinical practice, technology, procedures, and standards. Expanded to reflect the universal core elements of critical care nursing practice, authors Aitken, Marshall, and Chaboyer have retained the specific information that captures the unique elements of contemporary critical care nursing in Australia, New Zealand, and other similar practice environments. Structured in three sections, ACCCN's Critical Care Nursing 3e addresses all aspects of critical care nursing, including patient care and organisational issues, while highlighting some of the unique and complex aspects of specialty critical care nursing practice, such as paediatric considerations, trauma management, and organ donation. Presented in three sections: Scope of Critical Care, Principles and Practice of Critical Care, and Speciality Practice, Focus on concepts that underpin practice, essential physical, psychological, social, and cultural care. New case studies elaborate on relevant care issues. Practice tips highlight areas of care particularly relevant to daily clinical practice. Learning activities support knowledge, reflective learning, and understanding. Additional case studies with answers available on Evolve. NEW chapter on Postanaesthesia recovery.
