Social Studies provides a new approach to the study of the CSEC Social Studies syllabus and focuses on the skills needed to pass and to get a top grade. It provides full coverage of the CXC syllabus in clear accessible language for learners. The Collins CSEC Social Studies textbook offers a comprehensive approach to the latest CSEC syllabus providing learners with all the tools they need to succeed. The course covers the entire syllabus providing in depth coverage of all the topics including effective SBA preparation. Written in clear accessible language with case studies, clear definitions of important terms, research activities, infographics, photographs and illustrations to help explain core social studies concepts to students. Knowledge and comprehension questions and End of chapter summaries help students to consolidate what they have learned. Use of knowledge questions allow students to apply their understanding to real life examples and contexts. SBA skills practice tasks are designed to develop students skills in thinking critically, analysing information and reaching sensible and logical conclusions. End of chapter questions help students to practise the different kinds of question they will meet in their exams. The textbook has been written and reviewed by an experienced team of Caribbean teachers and examiners.

Essentials of Middle and Secondary Social Studies William B. Russell III, Stewart Waters, 2022-07-05. Building on the success of the previous editions, *Essentials of Middle and Secondary Social Studies Third Edition* focuses on the key issues central to the teaching of middle and high school social studies including lesson planning and instructional strategies. Written in an engaging conversational style, the text encourages teachers in their development as professionals and enables them to effectively use creative and active learning strategies in the everyday classroom.

New to This Edition: This third edition has been refined with new and relevant topics and strategies needed for effectively teaching middle and high school social studies. New features include:

- An expanded chapter on the decision making process in secondary social studies. This chapter provides additional discussion about the importance of helping middle and high school learners better understand the decision making process and offers strategies for helping teachers make connections between choices, values, character development and social justice.
- An updated chapter on technology designed to better prepare secondary social studies teachers to effectively incorporate technology into their instruction. Focus is given to virtual teaching and learning, media literacy, teaching with film and numerous other ways to improve teaching and learning in the digital age.
- Updated further readings and helpful resources for all chapters to include supplemental digital and video sources related to various topics throughout the chapter. These resources were specifically curated to be impactful for preservice and in service teachers as well as anyone teaching secondary social studies methods courses.
- Added a Checking for Understanding section of questions.

at the end of each chapter that focuses on comprehension application and reflection on key concepts throughout the chapters
