Consumer Guide to Automotive Service Contracts & Warranties Terry M. Thacker, 2012-09-26 It is very likely you have read articles or heard media reporters describing the financially devastating circumstances of automotive consumers being stuck with thousands of dollars in mechanical breakdown repair expenses because their service contract or warranty denied coverage With the insider information and strategies revealed you will learn how easy it can be to defend yourself when unjustifiable denials happen Very rarely is a vehicle sold in the retail environment without having a dealer or manufacturer warranty Frequently many consumers will also purchase a service contract providing additional longer term protection against unexpected and costly mechanical breakdown repair expenses Unfortunately most consumers are totally unprepared when confronted with an unexpected bill for a costly mechanical breakdown repair their service contract or warranty refuses to pay It is at this crucial moment that critical steps must be immediately taken which could save you thousands of dollars Laying the groundwork from page one in concise easily understood language author and industry veteran Terry M Thacker s book presents an in depth non technical explanation that pulls the curtain back on the seemingly unfathomable world of automotive service contracts and warranties Through his insightful direction you will feel empowered with the invaluable information and strategies unfolding in each chapter A thorough critique of critical key words and thoughtfully crafted phrases typically found in service contracts and warranties deciphers their underlying meanings and reveals how they could be used against you Powerful strategies are then outlined in detail providing you with an insider s knowledge to confront any denial of service contract or warranty benefits You will be amazed at the clarity in which incomprehensible technical explanations for a mechanical failure can be translated into simple non technical terms giving you the know how to be more persuasive with decision makers who can affect your financial health Thacker s indispensable book *A Consumer Guide to Automotive Service Contracts and Warranties What to Do When They Refuse to Pay* is the go to resource for automotive consumers seeking a comprehensive road map to understanding service contracts warranties and what to do when they
