

Totalitarianism

- Dictatorship by a group rather than an individual
- Rule using paranoia and fear
- Distortion of nationalism: people are conditioned to be overly patriotic
- Subjugation of individual rights
- No guarantees made or kept by gov't (we have a constitution and a bill of rights which the gov't must adhere to)
- Free speech can be punishable by death
- A policy of aggression
- Total control over culture (music, art, religion, education, ideology, philosophy, MEDIA, etc.)
- Use of a scapegoat: someone/something else is blamed for all of society's problems (rather than the rulers)
- Far too much police power
- A permanent state of crisis – always at war with someone/something
