25.20.10 Payroll revolving account and other accounts used for payroll activities

Jan. 1, 2009

Agencies use various systems to process payroll activities.

25.20.10a Human Resource Management System

The State Payroll Revolving Account, Account 035, is used for payroll [disbursements](#) by agencies using the Human Resource Management System (HRMS) as maintained by the Office of Financial Management (OFM).

The following procedures are used for transfers and deposits of money to Account 035:

1. Treasury/Treasury Trust Accounts

- Agencies authenticate payroll data in the HRMS system and certify payroll registers for dollar amounts.
- OFM provides journal vouchers and warrant registers indicating the amounts properly chargeable with the payroll expenditures/expenses. OFM then certifies these amounts to the Office of the State Treasurer (OST).
- OST transfers money from the appropriate agency treasury or treasury trust accounts to Account 035 for payroll disbursements chargeable to these accounts.

2. Local Accounts

- Agencies paying employees chargeable to local accounts must use the local account expenditure coding in HRMS.
