

AQA A-Level History - The Cold War

Notes Section One Exam Question and Answer

The Cold War - A conflict between two OPPOSING ideologies, capitalism and communism, fought between the USSR and the USA

The Cold War (definition 2) - A state of geopolitical tension after WW2 between the powers of the Western and Eastern Bloc, pursued primarily through economic and political actions

Soft power (American tactic) - Not using military force to influence people; often portrayed themselves at the best through major aspects of society (e.g. movies, media etc)

The West fears communism because - - It spreads and could lead to a world revolution where capitalism is OVERTHROWN

- This would lead to a loss of American influence and power

- Marx was an intellectual, therefore the masses may be more prone to listen to his ideologies

Stalinism - The ideologies and policies adopted by Stalin, based on centralisation, totalitarianism, and pursuit of communism

- Stalinism in one country for world DOMINATION; everyone will look to Russia as the perfect model

Why Hitler was a threat to Russia - - Fascism vs Communism; polar opposites

American capitalism - - Based on ideas of 'laissez faire', an economic system in which transactions between priv. parties are free from government intervention

Isolationism (American foreign policy) - America became a country in its own right after defeating British/Europ. IMPERIALIST powers, there they isolate themselves into America to stop any European interference

The Monroe Doctrine (1823) - Isolationism or start of American imperialism for 'protection'?

- Foreign policy regarding "Latin America" in which further attempts of nations colonising states in North or South A. would require US intervention

- US would also not interfere w existing European colonies

Manifest Destiny - Belief that the US was destined to expand across the North American (Mexico+Canada) continent

Another popular platform for Chapter 1section Answers Cold War History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital

copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Chapter 1section Answers Cold War History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
