## Five Eisenhower Years... Rockin' Fifties

President Dwight D. Eisenhower's administration was a time of great change and achievement. It was a time when the United States emerged as a superpower, and the world began to look to America for leadership.

During his five years in office, Eisenhower oversaw the end of World War II, the beginning of the Cold War, and the launch of the Space Age. He was a man of peace, who believed in the power of diplomacy and the importance of a strong, but not overbearing, military.
