

THE CHRISTGOU CONSUMER GUIDE

by Robert Christgau

As always, this month's Consumer Guide cleans up pre-Christmas business. All those year-end lists I compiled for the *Village Voice* *Pazz & Jop* Critics' Poll reminded me of a few putatively hi-quality epees I'd done my best to ignore, and this is where I attempt to confront them. If some of those listed seem dated, blame it on my distaste for failed competence and recurring critical riddles. Little Feat and Eno and Blue Magic and Jesse Winchester received my all-too-painstaking attention, and one of them scored, which is what makes it all worthwhile. In the end, however, I did shy away from Jackson Browne. I think he's a wimp and what else is there to say about him? Just another pretty face? Thomas Chatterton, you died too soon? You like him or you don't, and no amount of nastiness from me is going to change it.

Small pickings this month - the Christmas release was even more compromised than usual. The usual guidelines apply. Grades of B plus or above indicate ascending enthusiasm, B minus and down, descending dismay.

"David Barretto" (Mercury): If you don't believe a Fats Domino medley is likely to go with something called "Time to Sow the Seed," featuring not one but two harps, you're like me, and like me you're wrong. This is schlock with a difference, and the difference is faith. Believe me, Shadow Morton can make a believer out of anybody. **B.**

Blue Magic: "The Magic of the Blue" (Atco): In my gut, I've never understood groups that specialize in no backbeat falsetto ballads. The few I've liked - only the Chi-Lites and the Stylistics for more than one song at a time - barely redeemed their simplicity by sounding sincere, or do I mean dumb, and these hotshots just don't. They're too fucking professional. At their best, they sound like the Spinners, which isn't so great unless the song is. More often, they sound like the Stylistics will sound after Russell Thomkins gets his B.A. **C plus.**

Bob Dylan: "Blood on the Tracks" (Columbia): The first version of this album struck me as a sell-out to the memory of Dylan's pre-electric period; this recut, utilizing unknown Minneapolis studio musicians who impose nothing beyond a certain anonymous brightness on the proceedings,

Robert Elms

recapitulates the strengths of that period. Dylan's new stance is as disconcerting as all the previous ones, but the quickest and deepest surprise is in the music itself. By second hearing its loveliness is almost literally haunting, an aural *deja vu*. There are moments of anger that seem callow, and the prevailing theme of interrupted love recalls adolescent woes, but on the whole this is the leader's most mature and assured record. **A.**

Eno: "Here Come The Warm Jets" (Island): The idea of this record - top of the pops from a quasi-dadaist British synth wizard who makes out with the Soft Machine - is a lot worse than the actuality, which engages the ear and the mind in a vaguely Velvet Underground sort of way, instead of just trying to. Minimally differentiated variations on the same melody recur and recur, but it's a nice melody and chances are he meant it that way. Some good words, too. **B plus.**

Bryan Ferry: "Another Time, Another Place" (Atco): In which he who plays at corruption is afflicted with disease - lead poisoning, I think, affecting not only his brain but also his lungs and his pants. **C plus.**

Aretha Franklin: "With Everything I Feel In Me" (Atlantic): All Aretha Franklin records are not alike. In fact, her capacity not just for endurance but for adaptations is unequalled among vocalists of her generation, and in many ways this LP is more of a breakthrough than its predecessor, *Let Me In Your Life*. Even the ethereal direction of the change - less bottom, more (and

more aimless) la-la scatting - has for its precedent the Young, Gifted and Black album's brave exploration of the spirituality of black pop. Nevertheless, I prefer *Let Me In Your Life*. Aretha has become such a solid property - certain to hold onto an audience for years to come, but unlikely to expand any further - that it's no longer possible to resist thinking of her as a cross between Frank Sinatra and Nancy Wilson, turning out collections as custom-designed as next year's Oldsmobile. **B plus.**

The Guess Who: "Flavours" (RCA Victor): The Burton Cummings part of this group always wanted it to be the Doors, Santana, and Gary Puckett and the Union Gap all rolled into one. This rather monstrous goal has finally been realized. Personally, I always preferred the part that wanted to be Bachman-Turner Overdrive. **C.**

George Harrison: "Dark Horse" (Apple): Such transubstantiations. In which "Bye Bye Love" becomes "Maya Love," in which "windowpane" becomes "Window brain." Can this mean that pain (pane, get it?) is the same as brain? For all this hoarse deck knows... **C.**

"Honk" (Epic): California eclecticism in the grateful tradition of Stoneground, with the difference in names indicating a gain in irony and the forced jollity of "Gimme That Wine" recalling the limitations of the mode. Good songwriter: Richard Seal. Good song: "Mademoiselle." **B.**

Little Feat: "Feats Don't Fail Me Now" (Warner Bros.): Despite the reputation they've earned as the thinking man's bar band - classic line: "I'm gonna boogie my scruples away" - these hip Angelinos have been turning me off for three albums now, and I've figured out why: beneath that dodecaphonic exterior they're closet Europeans. Their overtones may be bent and bluesy, their rhythms may have a funky catch to them, but some of those runs sound like they were copped from Rick Wakeman, and I don't even want to know where he copped them. **B minus.**

The Ohio Players: "Fire" (Mercury): The makers of "Shoogity-boogity" bring you: "More Shoogity-boogity." **B.**

Christgau Consumer Guide Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Christgau Consumer Guide free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Christgau Consumer Guide free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search

feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Christgau Consumer Guide free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Christgau Consumer Guide. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Christgau Consumer Guide any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Christgau Consumer Guide Books

1. Where can I buy Christgau Consumer Guide books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Christgau Consumer Guide book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Christgau Consumer Guide books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets:

You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Christgau Consumer Guide audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
