Faith Survival Guide Dave Glander,2014-01 Faith Survival Guide Student s Guide The Student s Guide is for each of the participants in the group other than the Leader who will be teaching from the Leader s Manual Unlike the Leader s Manual the Students Guides have empty fill in the blanks and do not have the Leader s Notes on the accompanying page Each Student s Guide is designed with space to take plenty of notes and is the Students to keep at the end of the study The Christian faith in America is dying due to a lack of proper education in our homes and churches One of the biggest failures of our modern times is that we have missed the command from our Lord to Go and make disciples teaching them More focus has been spent on filling the altars than has been given to simply teaching and feeding the sheep who are already in the flock This has led to a growing trend of non church attendance by adults and a mass exodus of youth from the Christian faith Post modernism has emptied our churches because it says that God is not real the Bible isn t reliable and Jesus isn t the answer Our school systems have brainwashed our minds to believe that we are all just a great big evolutionary cosmic accident with no absolute meaning for our lives The Faith Survival Guide will reverse this trend by providing a simple to use apologetics guide that will answer some of the biggest questions facing the Christian faith Written in an easy to teach format any Average Joe who wants to see their church family and community become bold Warriors for Christ needs to get this curriculum for their Sunday school small group or at home study group Order today to be the change in your environment May God bless you

material for the newly born again Christian These are for the most part left to feed on scraps they could find here and there Those who provide any such material seldom address critical and pertinent questions the new babe in Christ may have The world is more complex and has unique challenging puzzles for the Christian faith especially for the new Christian This manual is designed to support the new Christian in the quest to seek the Lord Jesus from the very pages of the Holy Scriptures This manual also equips the new believer to also not accept anything at face value but ask good questions for clarification This comes from the premise that the Holy Scriptures have the answers The believer is imbibed with the notion that the answers that the Lord Jesus has revealed can be known in the pages of the scriptures through diligent search For those of us who are older in the faith you may have some of your long held beliefs challenged by biblical textual evidence We all need this learning curve to help us grow Its a tremendous journey Come aboard For those who know it all this manual is not for you
