Strengthen Your Faith

By Maya Anthony

In storms when darkness hides the way,
His love shines bright, dispelling gray.
Though waves may crash and winds may blow,
In His embrace, we're safe we know.

His love's an anchor, firm and strong,
In Him, we find where we belong.
No storm too fierce, no night too long,
With faith in Him, we'll always be strong.

Trust in His love, let worries cease,
In turbulent times, He brings us peace.
For in the darkest, trying night,
His love's the beacon, our guiding light.

God's Intelligent Design for Christ-Centered Spiritual Transformation Eric vonAnderseck,2016-11-03 When the Holy Spirit directed me to write this thesis it was after God had implemented the changes and corrections for the church and believers began to benefit fully from the transition I hope you will be blessed by the many wonderful testimonies throughout The apostolic thesis is the first of its kind Not only does the Holy Spirit explain faith crisis and spiritual exploitation but also uncovers the underlying root causes God is addressing a faith in crisis a spiritual government in crisis and belief systems that He did not authorize or sanctify in the name of Jesus Christ The church had suffered under the hands of many spiritual butchers slicing and dicing faith this way and that Each area of spiritual exploitation has had a catastrophic and blinding influence on all facets of Christian life Believers were led into a very confusing era Ministers were constantly rehashing faith programs as they sorted out their own failings reducing covenant to a psychology Ideas were tabled as quickly as they were introduced Thankfully the church has now entered into a new apostolic era God has restored His true culture of faith and heritage to the church helping believers understand once again the apostolic authority calling and anointing

The Inspiration of God Dr. Allen K. Hand Sr.,2022-05-04 Firstly the objective of that research was to assess the actions of the

Civil Rights and the Progressive National Baptist Convention Inc PNBC movements Based on 37 returns to a questionnaire of 39 reduced to 24 identified key criteria e mailed to 158 persons across the country with forwarding permission 92% of the respondents indicated that they either agreed or strongly agreed that the actions of the Civil Rights and PNBC movements were inspired of by God Additionally this research identified some serious concerns and issues that each movement mainly PNBC has to address if each will continue to exist survive Secondly the objective of that research was to document our history through our struggles through our pains and gains through our good times and bad times through the ups and the downs in other words good bad or indifferent it is what it is our story his story not their story Rev Dr Herbert D Daughtry Sr constantly admonished us to make history to interpret history and to record history or something to that effect and not necessarily in that order When we do not do it ourselves in an accurate precise truthful etc manner then others will tell their story which nine out of ten times usually is not accurate precise truthful etc The old prophet acclaimed And the LORD answered me and said Write the vision and make it plain upon tables that he may run that readeth it Habakkuk 2 2 Thirdly and lastly the objective of that research was to share information that we do not want to be locked in our minds only to take it to the so called grave Many persons who were super knowledgeable as I define it about so many things that could have blessed the world took that super valuable information to the grave what a tremendous lost As an aside the lost is on multiple levels Level one we lost them Level two we lost what they did not share with us while they were alive Level three we lost the value of that buried information That is someone could have taken that information and transformed it to new information For example Dr Gabriel A Oyibo solved the Unified Field Theorem that Albert Einstein did not live long enough to solve So many things evolved from solving that equation Just think what would have happened to those many things that evolved from solving that equation if Dr Oyibo would not have solved that theorem All those many things that evolved from solving that equation would not be in existence Level four those persons who took from those many things that evolved from solving that equation and incorporated that value into what they were doing Etc etc etc The number of these levels conceivably and theoretically approaches infinity That is there is no end to the theoretical lost when just one person does not bless the world with their knowledge wisdom and understanding *Just Before I Say "I Do"* D. E. Rollins, 2002 This collection of frank and sincere Christian poems might be described as a spiritual Bridget Jones diary The poet expresses her intimate conflicts and concerns as she anticipates the eventual consummation of her marriage Perhaps one of the main values of the collection is that it conveys a message for many young Christians and older ones too not just those preparing for marriage that the conflicts they experience are absolutely normal and can be resolved and sanctified in so far as our dwelling place is not an earthly place but the Lord who is the same yesterday today and tomorrow The poet expresses a roller coaster of emotions as she comes to terms with the age old conflict of the flesh versus the spirit the urges of the flesh versus the disciplined life of the Christian especially as she deals with the anguish where the object of her love is often aloof and inconstant

Live On Vanessa A. Jackson Austin,2006-06 The Christian poetry and quotes of Live On is written to inspire uplift and encourage the downtrodden the weary and those who are heavy laden Quite often we all endure situations which may appear absolutely bleak and unbearable In our darkest hour let us remember God and the gift of His only son Jesus Christ whom He sent into this world and who died on the cross for all of our sins God has also given us grace and salvation With all of the blessings bestowed upon us we still must have tremendous faith It is through my unending faith that I bring my gift Live On to you My prayer is that with the help of God all those who savor the pages of Live On will be strengthened into faith more abundantly

Rural Manhood ,1913 **Library of Inspiration and Achievement: Reading and home study** Edward Everett Hale,1900 *Rural Manhood* Henry Israel,1914 God's Agenda - Religious Poems Richard I. Gold,2016-10-04 God s Agenda Religious Poems Vol 1 By Richard I Gold God s Agenda Religious Poems contains a number of poems about God Jesus Christ our relationship with God and our relationship with our fellow men all in accordance with the Bible At several points two or more poems have the same title but they were kept in because they are different poems In other cases several poems may appear to be somewhat similar however the focus is slightly different Sometimes a poem may require several readings to get the full meaning At times the meaning may be more than the author put into them and the reader may find some ideas which will benefit him or her In all cases the meaning of the poem should be taken to help build our faith and hope for the future both in this life and when we have crossed to the other side Remember if we have a loved one who has passed on and is in the next life they are in a better and more fulfilling place It is well that we mourn for them but this should be for our lack of seeing them not for the fate of the loved one
