past one hundred years Britain in 1900 was emerging from a Victorian era in which prudery patriarchal authority and pettifogging rules of etiquette were widely perceived to have circumscribed relations between men and women The twentieth century witnessed a reaction against this system of separate spheres spearheaded by reformers eager that the sexes become each other's equals and intimates Modern Love traces the trajectory of this new model of personal relationships over the course of the twentieth century from its emergence out of the crucible of the suffrage campaign through its reshaping by the women's liberation movement It explores its impact on smut merchants warring couples and teenagers as well as its reception by such diverse figures as Bertrand Russell and Germaine Greer It draws on sources as varied as suffragette propaganda banned sex manuals marriage counseling literature and pin up magazines Marcus Collins teaches modern British history at Emory University

**The Oxford Handbook of Christian Fundamentalism**, 2023-10-26 Christian fundamentalism is a significant global movement which originally took its name from The Fundamentals a series of booklets defending classic evangelical doctrines published in the 1910s The Oxford Handbook of Christian Fundamentalism traces the roots of fundamentalism from the late nineteenth century and explores the development of the movement up to the present day Since its inception fundamentalism has proved a highly contested category By some the label is recognised as a badge of honour by others a term of abuse This volume does not offer a simple definition of fundamentalism Rather it acknowledges its many interpretative and definitional complexities and allows multiple identities to jostle together under the fundamentalist label The boundaries are porous between fundamentalism and conservative evangelicalism so the Handbook includes analysis of some conservative expressions of Christianity which show fundamentalist characteristics even in groups which refuse to define themselves as fundamentalist The relationship of fundamentalism to Pentecostalism and charismatic renewal is also explored in detail Research led chapters cover significant historical developments key doctrines such as biblical inerrancy creationism and separatism and an extensive range of moral and cultural issues to which the contribution of fundamentalism has been significant including popular music alcohol sport and family life Contributors also chart the evolution of the movement globally far beyond its North Atlantic origins Recognising the prominence of fundamentalism beyond the Church the Handbook explores its contribution to public debates concerning political influence education human genetics civil rights business global warming sexuality Israel and the Middle East the shaping of contemporary culture and much else Christian fundamentalism this Handbook ultimately shows is one of the most significant movements operating in today's world

*Relationship Advice for Christian Guys* Salaam Kamara, 2017-03-10 This book is written to help Christian guys in the courtship and dating game For all the wisdom knowledge and understanding the bible presents in the area of finding a wife and having a good marriage God's Word does not specifically go into detail about the early stages of talking attracting and building up a relationship with a potential girl This is left to the believer to figure it out with wisdom from the Bible and guidance from other believers Whilst this is more than adequate I thought it would be beneficial to put together

this informative little book to help those who might still struggle in this area This books covers topics such as confidence building getting out of the friend zone dealing with groups of girls different types of Christian guys in the dating game phone ethics overcoming rejection maintaining relationships and so much more I envision this book to be used as a supplement to the Word of God not as a replacement for it When it comes to finding meeting and courting the right girl for a Christian the Bible and Holy Spirit are the best guides but having this book by your side gives you an extra edge and knowledge in this exciting but often daunting stage of life I would love if after you ve read my book to give me your feedback maybe leave a review Follow me on Twitter LondonBaptist07I will also be able to answer any further questions you have as the dating game is always evolving and presenting new challenges Don t be afraid to follow me and hit me up Thanks and God bless you at this stage in your life
