Christianna Brand Green For Danger:

Green for Danger Christianna Brand,1948 *Green for Danger* Christianna Brand,1999 **Green for Danger** Christianna Brand,1999 From the author of *Cat and Mouse* an absorbing classic crime novel set in a military hospital during the Blitz When a patient dies under anaesthetic and later the presiding nurse is murdered Inspector Cockrill finds himself with six suspects three doctors and three nurses and not an opportunity among them **Green for Danger** Mary Christina Lewis,1965 **Heads You Lose** Christianna Brand,2013-03-05 In the English countryside one of the well mannered guests at Pigeonsford Estate may be a murderer in this series debut by an Edgar Award nominated author As war rages in Europe the citizens of London flee to the country At Pigeonsford a group of guests plays cards drinks tea and acts polite but Grace Morland knows the strong emotions that lurk beneath the placid social surface She s painfully in love with Stephen Pendock the squire of Pigeonsford but Pendock s smitten with young beauty Francesca Hart One afternoon Fran debuts a new hat and Grace s jealousy gets the better of her She exclaims I wouldn t be seen dead in a ditch in a thing like that She will soon be proven wrong Grace is found dead with the hat on her head and her head removed from her neck To the scene comes the incomparable Inspector Cockrill who finds that far more than petty jealousy lies beneath this hideous murder **Fog of Doubt** Christianna Brand,2011-11-01 The Golden Age author of *Green for Danger* delivers a mystery in the classic Christie Carr Queen manner An outstanding tour de force The New York Times Few were disappointed when Raoul Vernet was found with his head bashed in dead in a pool of his own blood On vacation in England the Belgian seducer comes to visit Matilda an old flame from a few years before She agrees despite suspicions that Vernet has been deploying his legendary charm on another member of the family young Rosie who has returned from her Swiss boarding school carrying a child None of the family members were in the house when Raoul was killed but all were within a fog choked London mile Rosie calls in the brilliant Inspector Cockrill to clear the family s name but what he finds is a twisted clan of seven people each as likely to laugh at a murder as commit one **Guilty But Insane** Samantha Walton,2015 *Guilty But Insane* takes an historical approach to golden age detective fiction by Margery Allingham Christianna Brand Agatha Christie Dorothy L Sayers and Gladys Mitchell It examines how writers and readers of detective fiction during the 1920s to 1940s understood guilt responsibility and the workings of the mind as they related to the commission the investigation and the punishment of crime Under the lens of psychology the detective novel is revealed as a site for the negotiation of competing interpretations of sanity and insanity An unexplored depth and subtlety is revealed in detective novels that address major controversies in legal and psychiatric theory and practice while significant resonances with specific concerns of modernist fiction come into focus for the first time During the interwar years proponents of competing psychological schools challenged legal concepts of responsibility and free will In response golden age writers began to reflect on the genre s promise to accomplish true and just solutions in a social order in which the relationship between law and justice was being problematized on several fronts

By making connections between high modernism and popular culture and by tracing the impact of psychological discourses across a range of different cultural outputs this book makes a persuasive case for reading detective fiction historically It aims to demonstrate the richness of these texts and their value for scholarship not only as historical documents or residues of discourse but as literary texts which challenge subvert toy with and test the prevailing values and prejudices of interwar Britain Clues from the Couch Laird R. Blackwell,2022-06-27 The detective story the classic whodunit with its time

displacement structure of crime according to most literary historians is of relatively recent origin Early in its development the whodunit was harshly criticized for its tightly formula bound structure Many critics prematurely proclaimed the death of the whodunit and even of detective fiction altogether Yet today the genre is alive as contemporary authors have brought it into modern times through a significant integration of elaborate character development and psychology With the modern psychological detective story emerging from the historical cauldron of detective fiction and early psychology the genre continues to develop a complexity that reflects and guides the literary sophistication needed This book the first of its kind analyzes over 150 whodunit novels and short stories across the decades from *The Moonstone* to the contemporary novels that saved the genre from an ignominious death **What Dread Hand?** Christianna Brand,2013-03-05 Fifteen classic tales of murder mayhem and mystery from one of the great masters of English detective fiction Francis M Nevins author of *Cornell Woolrich* Mr de Silva begins the day sipping his coffee reading the Times and trying to decide how to murder his wife After two years of marriage he s simply fed up and has decided to move on to someone younger slimmer and prettier The trouble is he wants to keep his wife s money Killing her is the neatest solution So begins *The Rose* a three page masterpiece that was the first story Christianna Brand ever wrote for publication Over the next half century she would write dozens of novels and countless short stories proving again and again her genius for crisp characterization witty dialogue and timely bits of violence This collection holds some of her finest early work tales of murders committed for money jealousy or simply for something to do Though the crimes often go awry there is nothing quite so charming as a vintage Brand homicide **Cat and Mouse** Christianna Brand,2013-03-05 *DIVA* London writer falls into a trap of romance and false identity *divDIV* *divDIV* Katinka Jones spends her days beautifying trying out the latest ointments corsets and creams in order to pass the information on to the thankful readers of *Girls Together* When not immersed in a mud bath she answers advice letters and none are so compelling as those of *Amista* a Welsh girl in love with a modern day Heathcliff *Amista* s dramatic stories and beautiful descriptions of her village spark Tinka s interest For her next holiday Tinka travels to Wales where she finds that beauty product salesmen aren t the only people who lie *divDIV* *divDIV* No one in *Pentre Trist* has heard of *Amista* and no one will admit to writing the letters As she tries to learn the identity of her pen pal Tinka stumbles into an ancient Welsh mystery The letters may have been lies but the danger they described is all too real *divDIV* *divDIV* *div* **Literature and Justice in Mid-Twentieth-Century Britain** Victoria Stewart,2023 This book examines how ideas about crime and judicial procedure

that had developed in a domestic context influenced the representation and understanding of war crimes trials victims of war crimes and war criminals in post WW II Britain The depiction of Belsen concentration camp and the subsequent British run trial are a focal point Alastair Sim Mark Simpson,2011-10-24 Alastair Sim was an enigmatic character both on and off the screen His idiosyncratic style of acting in films such as The Belles of St Trinian s endeared him to a cinema going audience desperate to escape the day to day dreariness of an invasive bureaucratic post war Britain In private he was a curiously contradictory character prejudiced and yet tolerant thoughtful but sometimes inconsiderate To examine the life of this extraordinary man this biography contains original contributions from around thirty actors and actresses including Sir Ian McKellen and Ronnie Corbett It is supported by extensive research including interviews with the playwright Christopher Fry the television producer John Howard Davies and actors who appeared on stage with Alastair as far back as the 1940s This book also explores Alastair s life outside of films including his marriage to Naomi Sim whom he first met when she was twelve his career as an elocution teacher his extensive work on stage including his theatrical endeavours with James Bridie his championship of youth and his stalwart refusal to sign autographs Alastair Sim offers a rare and fascinating insight into the life of one of Britain s most respected and best loved actors
