Christmas Common Core Lessons:

Teaching the Common Core Literature Standards in Grades 2-5 Lisa Morris, 2015-07-16 Shifting your literature instruction to meet the Common Core can be tricky. The standards are specific about how students should analyze characters, themes, point of view, and more. In this new book, Lisa Morris makes it easy by taking you through the standards and offering tons of practical strategies, tools, and mentor texts for grades 2-5. She shows you how to combine the standards into effective units of study so that you can teach with depth rather than worry about coverage. Topics covered include Teaching questioning, inferring, and author's purpose; Guiding readers to look at themes and write summaries; Showing students how to recognize structural elements of literature; Teaching the craft of writing and vocabulary development; and Helping students analyze characters and character development. Throughout this highly practical book, you'll find a variety of charts and other graphic organizers that can be easily adapted for classroom use. A list of suggested mentor texts is also available as a free eResource from our website www.routledge.com/books/details/9781138856172. *30 Big-Idea Lessons for Small Groups* Michael Rafferty, Colleen Morello, Paraskevi Rountos, 2016-04-13 *30 Big Idea Lessons for Small Groups* provides an amazing framework with a bank of engagement tools that gets students interacting with texts. Follow this unique 4-part process to develop students' literal, inferential, evaluative, and analytical skills: Engage Before Reading, Students use a tactile tool like a topic card or a pyramid; Discuss During Reading, Students read and mark up a short text; Deep See Think After Reading, Students re-read and revise their interpretations together; Connect After Reading, Students begin to transfer their understandings to other texts. **Common Core-teaching and Learning** Great Britain. Christmas Carol Charles Dickens, 2015-08-01 Ebenezer Scrooge has always hated Christmas, but in this particular Eve, he's given another reason to be wary of the holiday: the ghost of Jacob Marley comes to visit. Clad in heavy chains and burdensome weights, Marley's ghost warns Scrooge that three spirits will visit him over the next three nights, each with a ghastly story to share. Will Scrooge's ghoulish experience teach him to embrace the spirit of Christmas, or will he say bah humbug to the holidays for the last time? These full-color graphic novels feature enhanced Common Core State Standards support, including discussion and writing prompts developed by a Common Core expert, an expanded introduction, and bolded glossary words.

Lesson Plans Jamie Jones, 2017-09-01 *Collaborative Models for Librarian and Teacher Partnerships* Kennedy, Kathryn, 2013-07-31 Once considered designated storytellers, modern library professionals are emerging as experts in technology integration, information literacy, and curriculum alignment. Though their collaboration with technology specialists and administrators continues to be a struggle, *Collaborative Models for Librarian and Teacher Partnerships* brings together best practices and innovative technological approaches in establishing the media specialist-teacher partnership. Highlighting theoretical concepts of case-based learning, knowledge repositories, and professional learning communities, this book is an essential practical guide for professional development specialists, administrators, library/media specialists, as well as teachers.
