A Manual of Scripture History for Use in Jewish Schools and Families Louis Barnett Abrahams,1905 **The Other Three Sixteens** Malinda Fugate,2020-05-12 For God so loved the world Many of us could finish that sentence in our sleep John 3 16 is a beautiful Scripture that neatly and simply sums up the message of the Gospel But what do all the other 3 16s in the Bible have to tell us The words of the Bible weave a tapestry of love particularly the love that our Heavenly Father has for His children But a love so deep and so wide cannot be contained in one memorized phrase It takes multiple authors of sixty six individual books to begin to explore the mystery of God s care for us The Other Three Sixteens by Malinda Fugate examines each third chapter and sixteenth verse in the Bible and invites a fresh new perspective to help readers uncover surprises or remind them of forgotten truths of a faith that has become routine Through Genesis to Revelation we can soak in its depth wonder at its intricacies and be moved at how much the Lord truly does lavish upon us Together we discover God s love under the weight of Eve s sin in the garden It s there in front of Moses burning in a bush that is somehow not consumed God s love sits in the dark with Job rebuilds a wall with Nehemiah and encourages a young pastor named Timothy Together we will find a deeper understanding of the way our Heavenly Father cares for each of us today Discussion questions suitable for individual or group use included Hebrew History, from the Death of Moses to the Close of the Scripture Narrative

Henry Cowles,1888 **Royal Genealogies : Or, the Genealogical Tables of Emperors, Kings and Princes, from Adam to These Times ; in Two Parts. Part I. Begins with a Chronological History of the World, from the Beginning of Time to the Christian Era, and Then the Genealogies of the Earliest Great Families and Most Ancient Sovereigns of Asia, Europe, Africa and America, Down to Charlemain, and Many of 'em Down to These Times. Part II. The History of Israel: The rise and splendour of the Hebrew monarchy Heinrich Ewald,1878 **Peloubet's Select Notes on the International Bible Lessons for Christian Teaching, Uniform Series** ,1926 *Royal Genealogies* James Anderson,1732 **1 & 2 Samuel** David H. Jensen,2015-08-24 The episodes in 1 and 2 Samuel are striking in their depiction of human characters priests soldiers kings prophets and royal advisers but also significant in how they narrate the central character of this history the God of Israel History in these books is not simply an accounting of royal intrigue military battles and socio economic struggle but the stage upon which God reveals God s very self First and Second Samuel relay some of the most memorable vignettes in all Scripture the call of Samuel David s battle with Goliath and David s seizure of Bathsheeba as his wife and discover in them the hand of God from the introduction First and Second Samuel describe the beginnings of monarchy in ancient Israel and introduce us to intriguing characters Samuel prophet priest and judge Saul the tragic figure who becomes Israel s first king and David Saul s celebrated successor and Israel s key leader whose influence endured for

generations But as Jensen makes clear in his splendid commentary there is another figure who is a central character God Throughout his theologically rich treatment of these biblical books Jensen explores what makes these texts important for us He suggests that we read 1 and 2 Samuel because they reveal the complexities of the human person the ambiguities of our social arrangements as nations and God's agency in a conflicted world Jensen notes that as we are shaped by and grapple with the biblical stories we are invited to find our own stories within them What keeps us coming back to faith he says is its stories stories that tell the truth about the human condition our shared corporate life and the life God gives to the world
