## **Church Policies Procedures Manual:**

**Developing a Church Policies and Procedures Manual** Kit J. Valentine, 1995      **Grace United Methodist Church Policies and Procedures Manual** Timothy Keen, National Association of Church Business Administrators, 2000      *The Church Organization Manual* Robert H. Welch, 2002-03-01 Effective organization and management can dramatically reduce the degree of confusion and uncertainty that exists when no specific guidance is provided in the operation of the church. Three general areas of church function: authority, organization, and administration are covered. The Church Organization Manual provides job descriptions, committee policies, salary plans, church use policies, space utilization policies, benevolence policies, and forms which can be copied or purchased. Because of The Church Organization Manual's comprehensiveness, displaying a wide variety of policies and the requisite implementing procedures, it can be used with appropriate local modification as an example by a church of any size.

**Developing a Personnel Policies and Procedures Manual for the Local Church** Joseph E. Bailey, National Association of Church Business Administrators, 1983      *Child Safety Guidelines for Local Churches* Roger N. McNamara, 2010-10 Child Safety Guidelines for Local Churches deals with the sensitive subject of child sexual abuse and what churches can do to protect children under their care while at the same time minimizing their own liability. Prevention and training are critical elements in developing a structure that ensures the safety of children while they are in God's house. Sadly, many churches are unprepared to combat the possibility of the unthinkable happening to one of their precious little ones. By not taking reasonable precautions, they not only endanger the welfare of their youngsters but are subject to charges of gross negligence and significant financial judgments against their congregations. The author outlines numerous steps that any congregation can take to protect both the children and churches they serve.

ROGER MCNAMARA is a veteran pastor, missionary, and church planter with more than forty-six years of experience in local church ministry in Latin America and the United States. He has started and worked in half a dozen churches over the past four decades and now serves as the Church Planting Training Specialist for Baptist Mid-Missions. In this capacity, he works with churches and church planters throughout the United States and Canada, teaching, training, and mentoring church leaders. He also serves in a number of leadership positions within the Baptist Mid-Missions TEAM NORTH AMERICA as well as the registrar for the School of Church Planting. He has published two other books and several leadership training manuals.

**The Church Organization Manual**, 1996      **Policies and Procedures Manual for Christ Church Assembly of God, Fort Worth, Texas** Bruce R. Craft, National Association of Church Business Administrators, 2000      **How to Lead a Church to Reach People and Grow** Robert A. Young, 2009-05 This book presents a unique approach to church growth. It is written mainly to help churches that are declining but will help all churches. The underlying premise is that churches do not grow and reach new people because they do not know how or because they are so poorly structured and organized that they spend most of their time and efforts in conflict. This disrupts the fellowship and leaves very little time and energy for reaching

new people The subtitle could be Fifteen Essential Steps To Growth Basic growth and administrative principles The combining of these areas makes this a unique book Young has brought together these basic elements from over 40 years of experience The book is a practical guide for a local church to follow to function efficiently and effectively and reach people for Christ When the steps are followed and in the proper order the church can pretty well be assured of growth and effective ministry Dr Robert A Young is currently President of Samuelite Corp Church Outreach and Consulting He served as Associate Pastor Administration of Walnut Street Baptist Church Louisville KY and Park Cities Baptist Church Dallas TX and President of the National Association of Church Business Administration He has conducted Total Church Consultations and Capital Fund Campaigns for churches of all sizes and denominations He is now available to serve churches as a consultant in these areas He is also the author of The Development of A Church Manual of Administrative Policies The Church Organization Manual Robert H.
