[RECIPIENT'S ADDRESS]

Dear [RECIPIENT'S NAME],

I hope this letter finds you in good health and spirits. I am writing to you on behalf of our cherished [CHURCH NAME]. As part of our spiritual community and mission of faith, we extend a warm invitation for you to join us as an official member of our church.

Church membership represents a commitment to personal spiritual growth and to the unified efforts of our congregation to spread our religious message within our community and beyond. A commitment to church membership marks a willingness to share in our fellowship, and to participate in and contribute to the activities of our church.

As a member, you will receive a host of benefits aiming to nurture not only your spiritual life but also your daily life. These benefits include attending all Church meetings, participating in Church discussions, receiving a monthly Church bulletin, and active involvement in ministry activities if desired.

Thank you for considering this invitation. May this also signify the start of a beautiful journey of faith as we navigate life's paths together as a Church community. Please let us know if you have any questions or if you would like to discuss the possibility of membership further.

Remember, we are one body, with many members, and the gifts we have, we are given to share. May God bless you and lead you throughout your decision-making process.

Best wishes in God's name,

exuberant and Dorgan's writing is highly evocative conveying in rich detail the joy and pathos of worship in these mountain churches As Dorgan states in the introduction he is less concerned with academic theorizing and more concerned with presenting a vivid firsthand account of all that he has seen and heard And in the nearly fifteen years he spent researching his book Dorgan saw and heard quite a lot spirited vociferous sermons creek baptisms foot washings homecomings dinners on the ground and evangelistic radio broadcasts Dorgan's prose is at its most enchaining when he presents tableaux of these phenomena a foot washing precipitates the erasure of interpersonal turmoil between two women a preacher uses his lively mode of sermonic delivery to orchestrate the rapturous shouts and hollers of a group of women a radio evangelist exhorts a recent widower to accept salvation The wonderful pictures interspersed throughout the book and the transcription of sermons help to further reify the worship scenes that Dorgan describes At times Dorgan's prose is intensely personal Dorgan is always aware that he is writing about sets of shared values and worship practices that mean a great deal to the congregations he is studying and Dorgan treats his subjects and their beliefs with tremendous sensitivity and respect Ultimately Dorgan is writing about people and the ways in which they invest their lives with meaning and purpose This imbues *Giving Glory to God in Appalachia* with a universal appeal even readers who find the religious settings in the book completely alien will be able to sympathize with the congregations search for meaning
