City Of Brick And Shadow:

City Of Brick And Shadow Tim Wirkus, 2014-11-07 Intimate mysterious magical as accomplished and compelling as anything I've read in recent years T C Boyle award winning author of *The Harder They Come* Beautifully conceived and beautifully written rendered with a strong confident voice that is so rare in a first novel Percival Everett award winning author of *Assumption* Already struggling to keep their tiny congregation afloat two Mormon missionaries stationed in the dangerous Latin American neighborhood of Vila Barbosa suspect the worst when Marco Aurelio a man they recently baptized disappears from a crowded street market When the neighborhood's corrupt police force shows no interest Elder Toronto and Elder Schwartz decide to investigate Marco Aurelio's disappearance themselves Breaking mission rule after mission rule the elders doggedly pursue any clues that might lead them to their friend As they interview the people who knew him his short tempered bodybuilding brother his gun toting ex wife his mercurial former business partner a tangled portrait emerges of an enigmatic con artist in over his head At the edges of the investigation lurks a shadowy mythical figure known only as the Argentine a man who poses an increasingly dire threat to the two young missionaries as they plunge recklessly forward Tim Wirkus *City of Brick and Shadow* is a fantastically fun ride recasting the classic buddy cop dynamic in a pair of hapless young missionaries a gripping and unconventional mystery along the lines of *The Yiddish Policemen's Union* or *Motherless Brooklyn*

Shadow City Anna Mocikat, 2019-11-07 *Shadow City* is full of adventure thrills and twists and turns The characters are fully realized and the swift pace keeps the story moving along so readers will likely find themselves turning pages in rapid succession IndieReader Los Angeles is an apocalyptic wasteland The few survivors of a horrific catastrophe live under the constant threat of radiation mutated creatures and worse lurking in the shadows In the ruins of the deserted city the scavengers Jean and Louis come across a nameless stranger and bring him to the only safe zone once known as Hollywood What's left of society is divided among different factions mistrust brute force and anarchy rule every day's life If the struggle for survival wasn't bad enough the nuclear disaster has shifted realities as we knew them and brought something into our world which threatens to exterminate the human race Something so dark that every living being is horrified of it Something that feeds on suffering and violence But humans aren't alone in this existential fight Unexpected allies emerge from the shadows and in the final stand the nameless stranger will decide humanities fate **Act 2: Shadows in our Hearts**

(Sample Extended) Sophia Frosztt, 2025-03-31 The novel *Act 2 Shadows in our Hearts* by Sophia Frosztt unfolds in the richly detailed dark fantasy world of Themestraya centuries after its initial turmoil The story centers around the sprawling city of Everpoint once a ruined town now transformed but shadowed by corruption crime and deep tensions between mortals and supernatural beings like vampires and lycans The fragile peace maintained by a council governing these factions is shattered by a violent uprising led by a mysterious and ruthless woman with vampiric traits The narrative follows multiple intertwined characters chiefly Incredabun a vampire and leader burdened with the responsibility of protecting her people

amid rising chaos She grapples with internal conflicts past scars and the heavy cost of leadership as the city descends into violent attacks where undead and dark magic surge uncontrollably Alongside her are her sister Xionne who fights fiercely against invading horrors despite her undead nature and new allies like Layla and Kara who navigate treacherous desert landscapes and encounter ancient mystical feline tribes Themes of betrayal grief and the struggle for survival permeate the story as the characters confront devastating forces including the enigmatic and deadly antagonist Lyssara a moon elf with vampiric powers who orchestrates carnage and tests loyalties The novel explores the collapse of trust the blurred lines between humanity and monstrosity and the desperate quest for hope amid overwhelming darkness Throughout the plot weaves intense action sequences epic battles against undead hordes and dark sorcery with intimate moments of self discovery loss and tentative alliances The characters journeys reveal a world where magic is both a gift and a curse where old wounds fester beneath new conflicts and where peace is a fragile illusion threatened by internal and external demons In essence *Shadow in our Hearts* is a sprawling immersive tale of fantasy horror and political intrigue charting the fall of a city and the resilience of its defenders as they face unspeakable horrors and the relentless encroachment of darkness The story sets the stage for an epic struggle that questions the nature of power identity and redemption in a world teetering on the edge of annihilation

time the history of shadows in architecture It weaves together a rich narrative combining close readings of significant buildings both ancient and modern with architectural theory and art history to reveal the key places and moments where shadows shaped architecture in distinctive and dynamic ways It shows how shadows are used as an architectural instrument of form composition and visual effect while also exploring the deeper cultural context tracing differing conceptions of their meaning and symbolism whether as places of refuge devotion terror occult practice sublime experience or as metaphors of the unconscious Within a chronological framework encompassing medieval baroque enlightenment sublime picturesque and modernist movements a wide range of topics are explored from Hawksmoor s London churches Japanese temple complexes and the shade patterns of Islamic cities to Ruskin in Venice and Aldo Rossi and Louis Kahn in the 20th century This beautifully illustrated study seeks to understand the work of these shadow makers through their drawings their writings and through the masterpieces they built
