	47-48	60	Y					
	49-50	60	Z					

These levels are approximate and are provided for general comparisons only. The leveling characteristics may differ among the various leveling systems. Book selection is NEVER simply a matter of choosing a book level that matches the Running Record level or grade level of the students. When selecting books, it is imperative to consider the content of the book, the background and prior experience of the students reading the book, and overall pattern of performance of the students on other similar reading materials.
