Converted On Lsd From Crime To Christ:

Converted on LSD Trip David Clarke, 2011 *Converted on LSD* David Clarke, MR David Clarke Cert E, 2015-02-16 This is the continuing story of David and Michael Clarke originally told in *Converted on LSD Trip* It tells the story of two brothers Michael and David Clarke who grew up in Aylesbury in the 60 s They were Mods but Michael spent two spells in Oxford Detention Centre and then Rochester Borstal during which time David inherited his brothers Lambretta TV 175 in 1966 It was then he lived in the light and fame of his brothers notoriety with the Aylesbury Mods On Michael s release from Borstal they teamed up together and were soon sent to prison for malicious wounding and carrying a fire arm without a license Michael was sent to Maidstone Prison and David to Dover Borstal On leaving Dover Borstal in 1968 Dave had a three year career of undetected crime until he was arrested but not by the police He had a bad experience on LSD on the 16th January 1970 and called out to God for help As a result he became Christian and turned from crime overnight and went on the straight and narrow His brother Michael however was unaffected and continued his flamboyant and criminal life style and ended up in prison in the Philippines 25 years later serving a 16 year prison sentence David learned to read as he was virtually illiterate when he left school educated himself went on to Higher Education and became lecturer and taught electronics of over 20 years in colleges of Higher and Further Education He joined the Bierton Strict and Particular Baptist Church became a baptist minister in 1982 and preached the gospel in many churches in England When David got news of his brothers conversion from crime to Christ in 1999 which was 5 years into his 16 year sentence he wrote his book *Converted on LSD* He then went on a mission of help to the Philippines and assisted Michael The story continues telling how they helped other notorious criminals on their road of reformation in New Bilibid Prison which is the national penitentiary of the Philippines This part of their story is told in their joint book *Trojan Warriors* that contains the Testimonies of 66 convicted criminals who too turned from crime to Christ This is an extended version of *Converted on LSD Trip* telling the good that has come out Michael and David s work in seeking to prompt the gospel of Christ to prison inmates *Borstal Boys* David Clarke, 2013-11-18 The story portrays a remarkable change that took place in the life of David when he was 20 years old on the night of the 16th January 1970 His brother Michael was left untouched This story was originally published under the title *Converted on LSD* but this edition has been specially written for prison inmates These brothers influenced each other during the 50 s 60 s and resulted in both David and Michael serving time in prison David was sent to Dover Borstal and Michael Maidstone Prison for charges of malicious wounding and carrying a firearm without a license The story speaks in detail of all the significant events in David s life from being a child through to the time of his conversion to Christ and then recounts the consequent difficulties that he experienced as he tried to follow the way of Christ This led David to make a confession to the Police about his 24 crimes and the recovery of much stolen property The story appeared as news headlines in the Bucks Herald on 11th February 1971 and led to a remarkable conditional discharge It was believed by many of Aylesbury s criminal

world that Dave had gone mad after taking LSD or the story was an ingenious plan devised by David to prevent him from being sent to prison again for crimes against society. This was not the case as the story will tell. Converted on LSD Trip MR DAVID. CLARKE, 2015-02-04 Foreword by Dr Philip Fleming MA BA Bch FRCPsych DPM. Converted on LSD Trip This book is the personal testament of David Clarke in an autobiographical style. It charts his life which became one of criminality and drug taking though an experience in 1970 of finding God whilst under the influence of LSD. Cynics may say that this was just an effect of drugs but it is clear that the experience changed his life. Later when in court facing charges he admitted to many other crimes and was fortunate in receiving three years conditional discharge and not a prison sentence. Since then David has combined his work as a lecturer in electronics with his mission of spreading the word of God. This is a scrupulously honest book recording both the difficulties he has faced as well as the successes in his life since 1970. A continuing worry is the fate of his brother currently serving a long prison sentence in a Philippine jail who himself has recently found God. This is an inspiring story of a life that has been turned from crime to a positive account and may be of help to others who find themselves directionless and involved in crime and drug misuse. Dr Philip M Fleming MA BA Bch FRCPsych DPM Consultant Psychiatrist with special responsibility for drugs and alcohol services. Kingsway House is the base for these services in Portsmouth. May 2001. **Before the Cock Crows Pt II**, *And Such Were Some Of You* David Clarke, 2022-07-16. When I first published my story of conversion from Crime to Christ on the 11th February 2001 under the title Converted on LSD Trip I thought every one would be delighted to hear the good news. So I asked the Principal of Fareham College where I was employed as a lecturer to write a foreword to my book. I was very disappointed, surprised and hurt at his response. He said he would have nothing to do with a book either privately or publicly that overtly referred to drug taking. It was like he had judged the book by its cover and title and so this volume is a reprint of the original story but more. I understood he was a Christian and thought that he would have been delighted and pleased to hear my story and have it told to all the world. You see I had written all about my past criminal life as a youth, my imprisonment for violence and drug taking that led to my downfall. It was when I was down and at rock bottom experiencing the horrors during a bad trip on LSD that I cried out to God for help asking Jesus please help me. He answered me on the 16th of January 1970 saying He was with me and would never leave me and that what I had been going through was nothing compared to what hell was like. You see the title of my book was Converted on LSD Trip and on its front cover was a write up of the court case where I confessed to 24 crimes and a three year career of undetected crimes along with my former profligate life. So one thing I learned some people judge a book by its cover. So this time my book has a different title and a different cover and written to remind my religious and none religious friends, family and acquaintances that we have all sinned and cannot throw stones at others thinking we are better than them for as the Apostle Paul wrote such were some of you. In other words we are all in need of the salvation that I write about and have experienced. I was saved from a lifetime of crime, immorality, drug taking and hell, having now peace.

with God and I live to tell the story *Converted On LSD Trip 5th Edition* David Clarke,2023-11-03 The book was originally published on the 11th of February 2001 whilst I was a lecturer at Fareham Collage in the UK and it has gone through various additions and formates for various reasons In the first edition the introduction started by stating David Clarke is currently a lecturer at Fareham college teaching electronics has taught there since 1989 However since leaving Dover Borstal in 1968 he had a three year career of undetected crime until the 16th of January 1970 when he experienced a Christian conversion from crime to follow Christ whilst suffering from the effects of LSD Since his conversion he continued his education by learning to read as he was virtually illiterate by using the bible and classical Christian literature He then trained to be a lecturer at Wolverhampton Polytechnic and graduated with a Cert Ed awarded by Birmingham University and commenced teaching at Luton college of higher education in 1978 Since that time he has taught hundreds of students during his 21 years as a lecture at colleges and Higher and Further Education In 1990 David turned away from God for a short period of time in unbelief and went through divorce and a remarriage However he returned to God in faith and repentance and since 1994 has spoken to many of his friends all about what Jesus had done for him In this part of my life I tell of my recovery after a fall into open sin and written as a testimony for any who find themselves in that situation David believes it is now time to complete his student s education he now wishes to make known to all his former friends and students and their friends that his bad experience on LSD is nothing compared to what hell is like He wants to tell them all about the salvation Jesus came to give men and that men may be saved by through faith in Jesus Christ and that like Oskar Schindler and his list all that were on that list were saved so to this David has a list of over 250 students and friends who he s seeking and will be contacting shortly as he wishes to persuade them to listen and hear in full of all what Jesus had done for him **Converted on LSD**

Trip, 4th Edition. David Clarke,2023-04-08 Originally published on the 11th of February 2001 whilst I was a lecturer at Fareham Collage in the UK and it has gone through various additions and formates for various reasons In the first edition the introduction started by stating David Clarke is currently a lecturer at Fareham college teaching electronics has taught there since 1989 However since leaving Dover Borstal in 1968 he had a three year career of undetected crime until the 16th of January 1970 when he experienced a Christian conversion from crime to follow Christ whilst suffering from the effects of LSD Since his conversion he continued his education by learning to read as he was virtually illiterate by using the bible and classical Christian literature He then trained to be a lecturer at Wolverhampton Polytechnic and graduated with a Cert Ed awarded by Birmingham University and commenced teaching at Luton college of higher education in 1978 Since that time he has taught hundreds of students during his 21 years as a lecture at colleges and Higher and Further Education In 1990 David turned away from God for a short period of time in unbelief and went through divorce and a remarriage However he returned to God in faith and repentance and since 1994 has spoken to many of his friends all about what Jesus had done for him In this part of my life I tell of my recovery after a fall into open sin and written as a testimony for any who find themselves in that

situation David believes it is now time to complete student s education he now wishes to make known to all his former friends and students and their friends that his bad experience on LSD is nothing compared to what hell is like He wants to tell them all about the salvation Jesus came to give men and that men may be saved by through faith in Jesus Christ and that like Oskar Schindler and his list all that were on that list were saved so to this David has a list of over 250 students and friends who he s seeking and will be contacting shortly as he wishes to persuade them to listen and hear in full of all what Jesus has done for him He says many of his friends have found life difficult and gone through marriage breakups been made redundant and without work some are without hope some in drink dry out centres some are ill and hopeless and some have died David conducted the funeral of John Sawyer in Titchfield in 1997 a student of his when he had no one left in the world to help him in his death

Converted on LSD Trip David Clarke,2017-12-23 1 This new publication seeks to bring attention to some of the many issues relating to Christian beliefs and practice that the author encountered on becoming a Christian He relates his personal testimony of how he was converted from a life of Crime to follow the lord Jesus Christ on 16th January 1970 and he clearly shows that Lord Jesus Christ is presented to us in the bible as the only saviour of sinful men 2 He clearly identifies the bible teaching of God s predestination of all things God knows all things from the beginning to the end for God predestined all things In this work man is held responsible for his thoughts actions and deeds Man has no excuse 3 David shows how he learned that the word of God contained in the Old and New Testament scriptures has been preserved in the text underlying the Authorised Version of the bible which is a good translation 4 David points out that the true rest for the people of God is a rest from labour or works we may do or think we can to to please God That the Lord Jesus Christ is the true Sabbath which the Low of Moses pointed too 5 David relates how he discovered that the departure from the Christian view and New Testament teaching of the distinctive roles of men and women in the Church has brought about much confusion in the world and church Having identified this issue he published his book Mary Mary Quite Contrary or alternatively does the Lord Jesus want women to rule as elders in his church 6 David believes that Christian morals are taught in the bible and they often conflict with the men of the world and that Governments cannot change alter or determine the rights and wrongs in moral values The Christian must be governed by biblical morality and not secular men 7 In seeking to teach the gospel to David has found that the only way to communicate gospel truth is by personal discussion debate and keeping to the main tenets of the gospel These tenets are the Person and work of Jesus Christ His death and resurrection and to reason from creation of the world and clear statement of truths taught in Genesis is the best way Let God the Spirit do His work in bringing conviction to men and leading them to Christ 8 David has come to an understanding that biblical prophecy concerning the last days do not refer to the end of the material world but the end of the Jewish ages and rule by Moses brought about by the destruction of Jerusalem and the Jewish temple in 70 AD 9 David also realises that adherence to the teachings of Roman and Anglicanism come short of New Testament Christianity A man must be born and this is not effected by water baptism and that a clear

distinction must be made between the two The new birth is necessary to see spiritual things 10 David teaches and believes the importance to take the bible literally where it speaks on literal things like the creation Noah's flood and the destruction of Sodom and Gomorrah for by this means we build upon the revealed attributes and Character of God As the Apostle Paul writes Rom 1 20 For the invisible things of him from the creation of the world are clearly seen being understood by the things that are made even his eternal power and Godhead so that they are without excuse An alternative title is The Gospel
