Cookie Monster T Shirt For Men:

Goody Two Shoes Janet Elizabeth Henderson, Take one American singer who doesn't believe in falling in love Josh McInnes biological clock is ticking and he wants to get married now After 20 years singing soppy love songs he knows that there is no such thing as romantic love There's only hormones and lust At thirty five he's tired of his playboy lifestyle He wants a wife who isn't interested in fame money or romance A sensible wife who values commitment He wants a partnership a friendship and none of the craziness that goes with falling in love As far as he can see there's only one way to get exactly what he wants he needs an arranged marriage add a Scottish librarian who has given up on ever falling in love Caroline Patterson terrifies men With her no nonsense attitude and ice queen demeanour she's in control of everything and everyone around her Her sensible shoes and grey skirt suits act like a force field repelling male attention At thirty one she can't remember the last time she went on a date and is beginning to think she'll never have a family of her own When an American stranger approaches Caroline with a marriage proposal that resembles a business contract she quickly accepts She doesn't expect romance But she does expect to control each and every detail of their lives together Because as life has taught her if you aren't in control bad things happen and you get romance Invertary style Josh and Caroline learn the hard way that falling in love isn't something you can avoid And it definitely isn't something you can control Their well laid plans are about to degenerate into chaos as they fall in love the Scottish way

Women Are Crazy, Men Are Stupid Howard J Morris, Jenny Lee, 2009-09-15 THE REVEALiNG RiP ROARiNGLY FUNNY GiDE TO MAKiNG EVERY RELATiONSHiP SMARTER SANER AND HAPPiER Since the dawn of time when the first smitten caveboy tried to woo the object of his affections by shoving her into the mud men have demonstrated that when it comes to women they are profoundly stupid And when it comes to men women no matter how intelligent or mature are completely crazy Based on this simple yet groundbreaking insight comedy writers and real life couple Howard J Morris and Jenny Lee have devised a relationship guide that is refreshingly honest completely hilarious and surprisingly practical Using their own crazy stupid romance as an example of these forces in action they set out to explain why women ask questions that they absolutely do not want answered and why men persist in answering them What are men really thinking or crucially not thinking Why do women view even the most mundane events through an emotional prism Why do guys suck at being romantic And why does every conversation with a woman lead back to whether or not she's fat Using wit hard earned wisdom and a highly entertaining he said she said format the authors explore the surprising method to his dumbness and the valid reasons behind her insanity while providing real solutions to perennial relationship problems By teaching men how and why they're stupid around women and showing women how to control the crazy for everybody's sake *Women Are Crazy Men Are Stupid* helps couples to reach the place where giving isn't giving in needing isn't needy and where the sexes can break the dysfunctional patterns and find a way to live lovingly happily ever after
