

Biography Of A Classmate - Jim Brooks

6 pages | 1466 words

"I am a nerd!" was the answer of Jim Brooks upon being asked "How would you describe yourself?". Sitting sideways at her desk, Mrs. Gatewood laughed as she talked to another student. The others in the background appeared engaged in their own excited conversations about "who did what at the mall". Jim, on the other hand, looked down at his questionnaire and wondered "How long would this really take?" I looked at him and he signaled me to come to the back seats. Wearily walking to the back, Jim pulled up the sleeves of his yellow polo shirt and sat down on the chair. It was 1:19 pm and the temperature was around 60 degrees Fahrenheit as I could feel the cold air, through the opened crack in the glass window, while it touched a part of the back of my neck. Jim rubbed his hands on his blue, denim jeans, which distinguished the white adidas shoes, and looked around the gloomy atmosphere of the classroom while the white clouds gathered in the light blue sky. His puka shell necklace (no clue what this is?) contrasted with his shiny, silver watch and his blonde spiked hair stood as straight as the blades of grass. After settling down next to him, we discussed his past life, hobbies, sports, friends and I learned about the favorites of this Science Award winner.

Jim is proud to be a member of a loving family, which includes his father, mother and an elder brother. Jim was born on August 3, 1987 in Sacramento. Since then he has lived in the same place considering that "I love my room; it's the best place to be!" Being highly under the influence of his father, Jim wishes to follow his steps and become a successful person in life. His father, Mr. Dan Brooks, is the vice president in a private company, "Thermo Genesis"; indeed, a loving father and always helped Jim in his problems. On the other hand, Mrs. Cindy Brooks is a respectful clerk in the emergency room. Jim also has a 19 year old brother, Brian, who often looks after him; he is a sophomore at Sierra Oaks College.

As far as he can remember, Jim thinks that his great grandparents are natives of Poland. However, his parents have grown up in Sacramento and hope that when Jim graduates from college, he would settle here too. He is proud to be an American citizen and follows the Jewish religion. "It's not the hours you put in your work that counts, it's the work you put in the hours" or "Real success is finding your lifework in the work that you love." Though quoted by Sam Ewing, these words are followed by Jim's tender heart. Jim loves his family and hopes to become a better person when he grows up.

Other than his family life, Jim believes that "a good education makes a successful man." Being highly influenced by his father, Jim cares about who he wants to be now, not who he would end up as in the future....

Biography Of A Classmate Example Introduction

In today's digital age, the availability of Biography Of A Classmate Example books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Biography Of A Classmate Example books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Biography Of A Classmate Example books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Biography Of A Classmate Example versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Biography Of A Classmate Example books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Biography Of A Classmate Example books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Biography Of A Classmate Example books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and

contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Biography Of A Classmate Example books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Biography Of A Classmate Example books and manuals for download and embark on your journey of knowledge?
