What is crucial is that people determine their investment personality particularly how involved they want to be with investing and let that be their guide. Disregarding one's investment personality and pursuing an approach that is not compatible with it is a recipe for disaster. Why you shouldn't work for a paycheck. Most of us work to earn a paycheck right. Well, that is the wrong way to think about work. Once we can align our life's vision and deepest goals to our income, we start to see our purpose for waking up each morning entirely differently. Work is no longer work; it becomes a catalyst that helps us achieve our goals. The most important thing you should save for, and it is not retirement. What is more important and more satisfying than retirement? Financial independence. Discover how many days your passive income could support your lifestyle if your score is less than 31; don't quit your day job. The more information and choices you have, the worse your finances will be. There are more financial books, magazines, journals, newspapers, radio shows, TV shows, web sites, Podcasts, and free information available today, yet most of us still feel completely overwhelmed, confused, and frustrated than before. The solution is to cut through the fluff and focus on what really works. Budgets don't work. Instead, Robert offers a ten-step process for taking control of one's cash flow. While there is careful assessment and prioritization involved, budgets are nowhere in sight. If it is not possible to save for a child's education and for retirement, save for retirement first. While retirement may be farther off in the future, if people don't save today, they'll have no options tomorrow, whereas college students have financial aid, scholarships, and student loans at their disposal. And a whole lot more. Offering clear, practical, no-nonsense advice along with all the tools needed to implement it, **THE SIX DAY FINANCIAL MAKEOVER** is a comprehensive guide that delivers on Robert's promise to revolutionize the way you think about and invest your money.
