PREPARING FOR THE EOC

NOTE: Preparing for the Biology EOC test will take time, effort, and practice. You cannot prepare for the Biology EOC test in one night!

In order to do your best on the Biology EOC test, it is critical that you take the time to prepare and develop study skills. First, you need to make sure that your classroom experiences and study time are used efficiently and productively. Second, it is most helpful to know some general test-taking strategies to ensure that you will achieve the best score.

Here are some important questions to ask yourself when developing your study skills. Your answers may help you define some areas in which you need to make some improvements.

1. How would you describe yourself as a student?
2. What are your study skills strengths and/or weaknesses as a student? What methods help you the most?
3. How do you typically prepare for a biology test?
4. Compare an ideal study situation (environment) to your actual study environment.
5. What can you change about the way you study to make your study time more productive?
