**Teaching Writing With Rubrics** Laura A. Flynn, Ellen M. Flynn, 2004-03-29 What a gift I used your book from the first day Using your guidelines I am now developing my own units and rubrics Rebecca Kennerly Student Resident Teacher Program University of New Mexico Take the guesswork out of writing instruction and assessment The step by step instructions scheduling guidelines lesson plans rubric assessments and reproducible forms in this guide are the result of years of research planning and fine tuning in the classroom Inspiring student creativity while addressing standards and meeting the needs of every student has never been so easy Special features include Step by step instructions on how to set up a classroom writing program Eleven comprehensive classroom tested lesson plans Methods for adapting rubrics for high school students gifted students English Language Learners and students with learning disabilities Strategies for evaluating every step of the writing process from pre writing to final draft How to incorporate Six Trait Writing Discover the excellent writing your students can produce when provided with a rubric and challenged to do their best Once you have used the strategies and materials in this guide you may wonder how you ever got along without them *To Know Her Own History* Kelly Ritter, 2012-02-20 To Know Her Own History chronicles the evolution of writing programs at a landmark Southern women's college during the postwar period Kelly Ritter finds that despite its conservative Southern culture and vocational roots the Woman's College of the University of North Carolina was a unique setting where advanced writing programs and creativity flourished long before these trends emerged nationally Ritter profiles the history of the Woman's College first as a normal school where women trained as teachers with an emphasis on composition and analytical writing then as a liberal arts college She compares the burgeoning writing program here to those of the Seven Sisters Wellesley Smith Radcliffe Barnard Vassar Bryn Mawr and Mount Holyoke and to elite all male universities to show the singular progressivism of the Woman's College Ritter presents lively student writing samples from the early postwar period to reveal a blurring of the boundaries between creative and expository styles By midcentury a quantum shift toward creative writing changed administrators' valuation of composition courses and staff at the Woman's College An intensive process of curricular revisions modeled after Harvard's Redbook plan was proposed and rejected in 1951 as the college stood by its unique curricula and singular values Ritter follows the plight of individual instructors of creative writing and composition showing how their compensation and standing were made disproportionate by the shifting position of expository writing in relation to creative writing Despite this unsettled period the Woman's College continued to gain in stature and by 1964 it became a prize acquisition of the University of North Carolina system Ritter's study demonstrates the value of local histories to uncover undocumented advancements in writing education offering insights into the political cultural and social conditions that influenced learning and methodologies at marginalized schools such as the Woman's College Guide to Writing Term Papers Leland Miles, Frank Baker, 1959 **Comprehensive Composition** Kathryn Stout, 2000-12-11 Just one volume covers grades K 12

The outlined teaching strategy encourages better writing through editing allowing students to develop at their own pace improving with each practice Boredom is eliminated by choosing the type of composition and an appealing topic from among those suggested to suit the student s needs and interests Topics include paragraphs essays reports outlines biographies narratives letters and short stories persuasive descriptive expository and creative writing choosing and narrowing a topic content and structure skills mechanics and sample lessons Use alone it has everything you need or as a reference
