How Do I Retirement Planning Ideas:

Planning a More Secure Financial Future Robert W. Stoffer, Suzanne Arnold, 1995 **Early Retirement Plan and Investment Ideas** Patrick Hogan, 2018-02-24 Early Retirement Plan and Investment Ideas is not only a book about retirement it s an inspirational guide on how to enjoy life to its fullest This book provides a holistic approach in explaining retirement readiness as it relates to adequate financial resources needed to fund your retirement needs Today people worry that they re going to run out of money in their older age as a result of health care needs or rising cost of living This won t happen if you are able to maintain a diversified portfolio and squeezing higher payments from your assets Social Security account pension home equity and savings to raise the amount you have to spend and stretch out your money over many more years The key to creating an active and fulfilling retirement goes beyond having adequate financial resources it also encompasses all other aspects of life leisure activities physical well being mental well being and a host of other activities that keeps you active as you age In this book Patrick Hogan guides you to Quitting the rat race early the earlier the better By putting money in the right perspective and knowing early likely expenses in retirement and how to meet them Turning your retirement savings into a steady paycheck that will last for life Structuring your Retirement portfolios Using spending rate to organize your portfolio How to maintain a diversified portfolio Deciding What Asset to put in a retirement portfolio Higher risk tolerance and long term plan investments Domestic and Foreign Equities to invest in Bridging inadequacies in your portfolios Health care concerns in retirement Avoid mistakes people make with spending in retirement Personal worksheet to gauge your retirement readiness In Choosing a good investment adviser Above all make your retirement years the best time of your life In short the retirement wisdom in this book will prove to be much more important than how much money you have saved What are you waiting for Scroll up and hit the buy button to start your retirement preparation earnestly ABOUT THE AUTHOR Patrick Hogan is a senior retirement strategist and a Retirement Activist who has committed himself for years now to changing the way people think about Early Retirement and preparing them for every aspect of it His nationally syndicated columns on Financial Advisor magazine reflect his challenge of the status quo of traditional retirement planning as against doing it much early in life and having enough resources to fund it Patrick moved from a social worker and a certified personal trainer to a money manager and author He discovered that retirement is among the most fascinating yet least understood phase of life by many people planning to retire early He was able to interview leading experts who took the bull by the horn and jettisoned traditional retirement preparation norms and are doing great in retirement Patrick developed a powerful message to tackle the psychological social spiritual and financial aspects of retirement His objective is simple to assist people to create a no regrets early retirement plan **Problems of the Aging: Washington, D.C., August 23 and 24, 1961** United States. Congress. Senate. Special Committee on Aging. Subcommittee on Federal and State Activities, 1961
