Common Core English Language Arts in a PLC at Work®, Grades 3-5 Douglas Fisher, Nancy Frey, 2012-10-25 Explore strategies for integrating the Common Core State Standards for English language arts for grades 3-5 in this interdisciplinary resource which focuses on areas of instruction, curriculum, assessment, and intervention. You'll also learn how to implement the CCSS within the powerful PLC at Work™ process. Critical chapter opening questions guide discussion and help you leverage the CCSS to optimize student learning. *Common Core Curriculum Maps in English Language Arts, Grades K-5* Great Minds, 2011-10-19 The first books to present specific guidance for teaching the Common Core State Standards. Forty-three states plus the District of Columbia and the U.S. Virgin Islands have signed on to adopt the Common Core State Standards. CCSS: The need for curriculum guides to assist teachers in helping students meet these standards has become imperative. Created by teachers for teachers, the research-based curriculum maps in this book present a comprehensive, coherent sequence of thematic units for teaching the skills outlined in the CCSS for English language arts in Grades K-5. The maps address every standard in the CCSS yet are flexible and adaptable to accommodate diverse teaching styles. Each grade is broken down into six units that include focus standards, suggested works, sample activities, and assessments, lesson plans, and more. Teachers can use the maps to plan their year and craft their own more detailed lesson plans. Any teacher, school, or district that chooses to follow the Common Core maps can be confident that they are adhering to the standards.

Schoolwide Action Research for Professional Learning Communities Karl H. Clauzet, Dale W. Lick, Carlene U. Murphy, 2008-05-15 Clearly shows the success that can occur when a staff learns together. I highly recommend this book to aspiring and beginning principals as well as those with years of experience. Paul Young, Executive Director, West After School Center, Former President, National Association of Elementary School Principals. Foster schoolwide professional learning through a collaborative action research model. Action research is a popular method for individual educators to examine their practices and grow in their profession. In this how-to guide, readers will learn how Whole Faculty Study Groups (WFSGs) use action research to involve an entire school in advancing staff learning and school performance. The WFSG model is a type of professional learning community (PLC) that catalyzes school change with schoolwide action research as a central component. With over 20 years of experience, the authors draw from hundreds of examples and case studies to describe how implementing WFSGs can help students, teachers, administrators, and other staff members work collaboratively to improve teacher practice and student learning. The authors' empirical data and

comprehensive approach help deepen educators understanding of how to use meaningful action research to strengthen teamwork and realize school reform Additionally readers will learn how The WFSG system compares with other approaches to action research The schoolwide action research process can be applied in a wide variety of school reform efforts Study groups can move from discussion to action Principals and district leaders can support schoolwide action research Discover the ways WFSGs can enhance student learning and result in real school improvement in this highly relevant must have guide
