Restrictive Language Policy in Practice Amy J. Heineke, 2016-11-01 As the most restrictive language policy context in the United States Arizona s monolingual and prescriptive approach to teaching English learners continues to capture international attention More than five school years after initial implementation this study uses qualitative data from the individuals doing the policy work to provide a holistic picture of the complexities and intricacies of Arizona s language policy in practice Drawing on the varied perspectives of teachers leaders administrators teacher educators lawmakers and community activists the book examines the lived experiences of those involved in Arizona s language policy on a daily basis highlighting the importance of local perspectives and experiences as well as the need to prepare and professionalize teachers of English learners

Effective Educational Programs, Practices, and Policies for English Learners Liliana Minaya-Rowe, 2014-10-01 The central issue of this volume is how to meet the linguistic and academic needs of the increasing numbers of English learners ELs At the center of educational turns is the role of school professionals in this Common Core Standards era Teacher education programs and professional development or pre service and in service programs for teachers of ELs are currently being reframed to reflect the new demands placed on all teachers in light of the new standards The expectation is that ELs can learn and their teachers possess the expertise to teach both discipline content and academic English at the same time The large numbers of ELs across the country have created a wide gap between what teachers have been trained to do and the skills they need to teach and reach them effectively This practical handbook brings together research policy and practice on teacher effectiveness pre service and in service programs in the context of student linguistic and cultural diversity Key features

include Clearly articulated teacher training and professional development programs Coverage of Common Core curriculum and a variety of instructional programs and practices with research based tools to implement them and Policies to equitably and effectively prepare ELs academically and linguistically
