Helming,2015-05-10 Website Owner's Manual Paul A. Boag,2009-10-31 Many of the people responsible for a website don't have a clue what's required to build one and keep it up and running. The job of planning, launching and managing a site often falls to people who have little or no experience in web design or development. Website Owner's Manual is for the thousands of marketers, IT managers, project leaders and business owners who need to put a website in place and keep it running with a minimum of trouble. Using clever illustrations, easy to follow lists and diagrams and other friendly touches, Website Owner's Manual helps readers form a vision for a site, guide them through the process of selecting a web design agency and gives just enough background to help them make intelligent decisions throughout the development process. This book provides a jargon-free overview of web design, including accessibility, usability, online marketing and web development techniques. Using Website Owner's Manual, readers master the vocabulary and concepts they need to discuss how a website dovetails with the needs of a business. This book will help them work confidently with the designers and developers building and maintaining a site so they can concentrate on what your website needs to do. Purchase of the print book comes with an offer of a free PDF, ePub and Kindle eBook from Manning. Also available is all code from the book. **Federal Register**, 2013-12 *Ubiquitous Computing and Ambient Intelligence* Jose Bravo, Diego López-de-Ipina, Francisco Moya, 2012-11-28 This book constitutes the refereed proceedings of the 6th International Conference on Ubiquitous Computing and Ambient Intelligence UCAmI 2012 held in Vitoria Gasteiz, Spain, in December 2012. The 70 research papers were carefully reviewed and selected from various submissions. The main focus of this book has been to explore how Ambient Intelligence can contribute towards smarter but still more sustainable environments. Beyond sustainable computing, the proceedings also include research work describing progress on other key research topics for AmI such as human environment, mobile mediated through NFC or AR interaction.
