Chisungu A Girls Initiation Ceremony Among The Bemba Of Zambia:

Chisungu Audrey Richards, 2021-03-28 Audrey Richards 1899 1984 was a leading British anthropologist of the twentieth century and the first woman president of the Royal Anthropological Institute Based on fieldwork conducted at a time when the discipline was dominated by male anthropologists Chisungu A Girl's Initiation Ceremony Among the Bemba of Zambia is widely hailed as a classic of anthropology and African and gender studies Underpinned by painstaking research carried out by Richards among the Bemba people in northern Zambia in the 1930s Chisungu focuses on the initiation ceremonies for young Bemba girls Pioneering the study of women's rituals and challenging the prevailing theory that rites of passage served merely to transfer individuals from one status to another Richards writes about the incredibly rich and diverse aspects of ritual that characterised Chisungu its concern with matriliney deference to elders sex and reproduction the birth of children ideas about the continuity between past present and future and the centrality of emotional conflict On a deeper level Chisungu is a crucial work for the role it accords to the meaning of symbolism in explaining the structure of society paving the way for much subsequent understanding of the role of symbolic meaning and kinship This Routledge Classics edition includes a new foreword by Jessica Johnson and an introduction by Jean La Fontaine Chisungu Audrey I. Richards, 1995

Chisungu Audrey Isabel Richards, 1982 Chisungu Audrey Isabel Richards, 1956 Chisungu, 1959 **Chisungu: a Girl's Initiation Ceremony Among the Bemba of Zambia** Audrey Isabel Richards, 1988 **Encyclopedia of Community** DAVID LEVINSON, KAREN CHRISTENSEN, 2003-06-30 Click Additional Materials for downloadable materials and samples Incredibly this is the first encyclopedia to focus on community as concept and experience so stands alone in its field as the one title any library must buy to cover this topic Essential for all readerships CHOICEA timely comprehensive and very welcome overview of a rich and rapidly growing field of inquiry Robert D Putnam Professor at Harvard University and author of *Bowling Alone* With every passing minute it becomes more and more apparent that our world is one community The *Encyclopedia of Community* serves as recognition of this trend and as a needed resource The four volume set not only explains the emerging buzz words of community such as social capital or civic engagement but also tells many stories of community institutions that work such as public libraries Sarah Ann Long Past President 1999 2000 American Library Association As we yearn to connect with our fellow citizens during these uncertain times we have a unique moment to encourage greater participation in our democracy and reinvigorate our communities The *Encyclopedia of Community* provides a timely diverse array of theories and practices that will help citizens understand the value of engaging together to make the critical choices that enrich the way we live learn work and govern in our local communities The *Encyclopedia* deserves a prime spot in the libraries homes and offices of all communities that want to invest in a brighter future for their residents and their children Nancy Kranich Past President of the American Library Association whose presidential theme was *Libraries The Cornerstone of Democracy* 2000 2001 American politicians often pair the word community with the word

freedom to describe our basic values Yet though used constantly the word community is defined in widely different and contested ways Most people like the idea of community but some intellectuals worry that it might imply collectivism The great value of this new Encyclopedia is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake It is a major contribution to a more coherent understanding of this fundamental idea Robert Bellah Professor of Sociology Emeritus University of California Berkeley and co author of *Habits of the Heart* SAGE Publications is proud to announce the Encyclopedia of Community a major reference work that summarizes the many fascinating and important concepts of a global topic Community itself is a concept an experience and a central part of being human Whether the reader is a student researcher or professional in the field of psychology sociology or even economics this three volume work will provide the necessary definitions of community beyond traditional views Arranged in an A to Z fashion the Encyclopedia can also be viewed topically via a Reader's Guide This allows for interdisciplinary compare and contrast among topics such as types of communities social capital technology urban life politics and law community design and global studies Edited by the award winning team at Berkshire Reference and assisted by an editorial board of world renowned scholars the Encyclopedia of Community will prove to be one of the most widely used reference works in your collection
