Isle of Man Revisited ,2015 Thirty years after the publication of the Isle of Man book I was in the process of preparing for my retrospective exhibition at the Museum Folkwang in Germany and started to re examine my Isle of Man negatives I hadn't had an occasion to think about this work since the first edition of the book was published Going through these negatives again I found new images that I now liked but at the time had overlooked or had not used for reasons that now mystify me I ended up with 250 photographs that I now think of as my Isle of Man archive This new version of Isle of Man draws from that archive The photographs in this edition keep more or less to the same order as the original book but I have changed some of the images added thirty others and printed them all larger Chris Killip      **Chris Killip** Chris Killip,2019-09-17 Late in 2016 British photographer Chris Killip's born 1946 son discovered a box of contact sheets of the photos his father had made at the Station an anarcho punk music venue in Gateshead Northern England open from 1981 to 1985 These images of raw youth caught in the heat of celebration had lain dormant for 30 years they now return to life in this book The Station was not merely a music and rehearsal space but a crucible for the self expression of the subcultures and punk politics of the time As Killip recalls When I first went to the Station in April 1985 I was amazed by the energy and feel of the place It was totally different run for and by the people who went there nobody ever asked me where I was from or even who I was A 39 year old with cropped white hair always wearing a suit with pockets stitched inside the jacket to hold my slides      *Chris Killip* Christopher Killip,2014      **Chris Killip: in Flagrante** ,2014      **Chris Killip** ,2013      **The Isle of Man** ,1927      *A-Isle of Man* ,1996      Isle of Man Chris Killip,1973      *Chris Killip* Christopher Killip,John Berger,Sylvia Grant,1989      *Chris Killip* ,2012
