

# TALK The World of Dragon Warrior!

Although some people won't be of much help, talk to each one and listen carefully to their words. Sometimes a vital clue is hidden in old stories and rumors.

Talk to people by facing them directly and choosing TALK.

**Don't be shy. Most people know who you are and want to help you.**

In the end, you will face the Dragonlord alone, but to reach him you need the wisdom and aid of all the people of the kingdom. You may even wish to write down what people say.

**Any word could be a piece of the puzzle.**

At first, some of what you hear won't make sense. Later, when speaking to other people, you may learn the hidden truth of what was said earlier.

One of your tasks is to save the Princess. But where is she?

It is revealed that you must seek her somewhere in the East.
