The Book of Peace Karen Green, Constant J. Mews, Janice Pinder, 2016-11-29 Christine de Pizan one of the earliest known women authors wrote the *Livre de paix* Book of Peace between 1412 and 1414 a period of severe corruption and civil unrest in her native France The book offered Pizan a platform from which to expound her views on contemporary politics and to put forth a strict moral code to which she believed all governments should aspire The text's intended recipient was the dauphin Louis of Guyenne Christine felt that Louis had the political and social influence to fill a void left by years of incompetent leadership Drawing in equal parts from the Bible and from classical ethical theory the *Livre de paix* was revolutionary in its timing viewpoint and content This volume edited by Karen Green Constant J Mews and Janice Pinder boasts the first full English translation of Pizan's work along with the original French text The editors also place the *Livre de paix* in historical context provide a brief biography of Pizan and offer

Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
