The Complete Book of 2000s Broadway Musicals Dan Dietz, 2017-04-06 In the first decade of the twenty first century Broadway was notable for old fashioned feel good shows *Hairspray* *Jersey Boys* a number of family friendly musicals *Little Women* *Mary Poppins* plenty of revivals *Follies* *Oklahoma* *Wonderful Town* a couple of off the wall hits *Avenue Q* *Urinetown* several gargantuan flops *Dance of the Vampires* *Lestat* and a few serious productions that garnered critical acclaim *The Light in the Piazza* *Next to Normal* Unlike earlier decades which were dominated by specific composers by a new form of musical theatre or by numerous British imports the decade is perhaps most notable for the rise of shows which poked fun at the musical comedy form such as *The Producers* and *Spamalot* In *The Complete Book of 2000s Broadway Musicals* Dan Dietz examines in detail every musical that opened on Broadway from 2000 through the end of 2009 This book discusses the era's major successes notorious failures and musicals that closed during their pre Broadway tryouts In addition to including every hit and flop that debuted during the decade this book highlights revivals and personal appearance revues with such performers as Patti LuPone Chita Rivera and Martin Short Each entry contains the following information Plot summary Cast members Names of all important personnel including writers composers directors choreographers producers and musical directors Opening and closing dates Number of performances Critical commentary Musical numbers and the performers who introduced the songs Production data including information about tryouts Source material Tony awards and nominations Details about London and other foreign productions Besides separate entries for each production the book offers numerous appendixes including a discography filmography and published scripts as well as lists of black themed shows and Jewish themed productions This comprehensive book contains a wealth of information and provides a comprehensive view of each show *The Complete Book of 2000s Broadway Musicals* will be of use to scholars historians and casual fans of one of the greatest decades in musical theatre history

[I Want to Change My Life](#) Barrie Gunter, 2014-07-24 Competition talent shows have been among the most popular on television in the 21st century The producers of these shows claim to give ordinary people extraordinary opportunities to change their lives by showcasing a specific skill leading to a new career trajectory Most participants will claim that they entered to get a big break and to develop a career they have always dreamed of To what extent do these shows deliver on such promises Following through what happens to leading contestants in singing entertainment modelling cooking and business entrepreneur competitions this book shows that few go on to achieve lasting success in their chosen career Many return to obscurity or to their previous lives Some enjoy a low level career in the new direction delivered by the

competition they entered Just a few become truly successful The pop and entertainment themed contests have discovered just a handful of major pop stars and entertainers out of many hundreds who have taken part after the initial auditions Turning to the cookery or business franchises there are few who go on to achieve lasting success in their chosen career In these it is equally likely that the winners go on to enjoy success with media careers rather than as chefs or entrepreneurs The most successful franchise of all is the fashion model competition Next Top Model which has yielded a high hit rate in terms of career success What the analysis here also reveals is that it isn't only the winners who ultimately benefit the most from their appearances in these shows Moreover television picks its own stars by recruiting contestants because they are telegenic or have a good backstory as much as for their relevant talents In this way a talent hungry medium has co-opted these franchises to replenish its own needs
